A Passion for Giving

For you, and for the 17,500 other women who proudly wear the Lion of Judah pin, generosity is a way of life. To you, tzedakah does not mean giving "enough," but always striving to do more. It means feeling compelled to give to the greatest extent you can.

This year, take your Lion to the next level.

Because so many women follow your lead. Because you have the desire to do so much good. Because a Lion always does more.
