Subject: NSGP re Webinar on Navigating the Department of Homeland Security Non-Profit Security Grant Program

THE **STRENGTH** OF A PEOPLE.
THE **POWER** OF COMMUNITY.

January 30, 2020

Dear State Government Affairs Professionals, JCRC Directors, Security Directors and Other Interested Parties –

See below invitation to join me and my colleagues at SCN on a Feb 6 webinar to review the FY 2020 Grant Opportunity and answer questions. If you are interested in participating, kindly RSVP according to the instructions in the notice.

Please note that if you are unable to participate, the webinar will be recorded and posted for your later edification.

Please also note that if you are a NY-based organization you will want to participate in similar training conducted by **David Pollock of JCRC-NY**; NY State has very specific requirements, which David addresses. You may inquire about David's technical assistance at: pollockd@jrcny.org and subscribe to David's NY-focused Security and Emergency Preparedness Alerts at: www.jrcny.org/security.

Finally, if you are new to this distribution list, please note that my previous notices and grant guidance may be accessed at: <https://jfnacommunications.fedwebpreview.org/dhs-security-grant-program>.

Best,

Rob Goldberg
Senior Director, Legislative Affairs
Rob.goldberg@jfna.org

NAVIGATING

the Department of Homeland Security Non-Profit Security Grant Program

1:00pm (ET) Thursday, 6 February 2020
Webinar

Please join the Secure Community Network (SCN) and The Jewish Federations of North America (JFNA) for an important update on the Department of Homeland Security's Non-Profit Security Grant Program (NSGP).

The NSGP and similar state/local grant programs have provided significant funding for target hardening, security equipment, training and other related security investments.

While the 2020 program has not yet been announced, SCN and JFNA will provide an update on the current status of the 2020 program, a review of recent grant application guidance, and considerations for planning efforts that can be undertaken now, in advance of any grant announcement, as well as answer questions.

Webinar Registration

To register for the webinar, please click the below link:
