Increase the power of your gift!

Did you know that many companies have matching gift programs that will match your donation to Jewish Federation of Grand Rapids (JFGR) dollar for dollar? Matching gift programs are a great way to maximize your personal contribution to JFGR.

In addition to providing greater support for the community, your matching gift donation offers other benefits:

For employees: You will be acknowledged at the recognition level that includes your employer's match. For example, if you make a donation of \$500 to JFGR and your employer's matching gift brings the total contribution to \$1,000, you will be recognized at the \$1,000 level. This would give you eligibility to attend an event that requests a minimum suggested gift of \$1,000. You will also **be recognized in our Annual Report.**

For employers: Donations received from employers through their matching gift programs are fully tax-deductible.
