Sustaining the Greater Harrisburg Jewish community's past, present and future

CHEER OUR TEAMS TO VICTORY

Shown above are some members of the Center's Varsity Cheerleading Squad, who are present at all Teen Varsity Games. Cheerleaders are supervised by Beryl Abrams. We encourage all members of the Center to come Sundays and cheer our Varsity on to victory. The next game is on January 9th at Reading.

TWEENERS EMBARK FOR TOURNAMENT OF CITIES IN YORK—Seventy tweeners enjoyed a full, well-rounded day, physically and socially, at the Jewish Community Center in York. They participated in several tournaments against Lancaster and York and were awarded first place in basketball and second in total number of points. The youngsters were chaperoned by Mrs. Fritz Seymour, Tween Advisor and Don Barbush, Ass't. Physical Ed. Director.

Dear "Harrisburger",

We all share wonderful memories of our days growing up within the Harrisburg Jewish community. Whether those memories were created at the Jewish Community Center, Green Hills Swim Club, Yeshiva Academy, or the many synagogues and Jewish organizations that thrived during our childhood — they were all vital to whom we have become, and where we are today. Whether those memories were created at the Jewish Community Center, Green Hills Swim Club, Yeshiva Academy, or the many synagogues and Jewish organizations that thrived during our childhood — they were all vital to whom we have become, and where we are today.

Although we no longer reside in Harrisburg, we still retain those many wonderful cherished memories and friendships.

The Jewish Federation of Greater Harrisburg continues its tradition of supporting the institutions promoting Jewish life in the Greater Harrisburg area including the institutions previously mentioned. Our community was built from the generosity of previous generations who ensured its continuity for generations to come. We were recipients of their foresight.

In September 2011, our beloved Jewish Community was devastated by a flood from Tropical Storm Lee and sustained over \$1.6 million in damage. Many of us experienced the destruction and dislocation caused by the Flood of 1972 and witnessed our Community's commitment to a full recovery. This year, I saw first hand that today's Harrisburg Community is similarly committed to rebuild the JCC and restore the wonderful programs it offers.

Now, the Harrisburg Jewish Community needs our help.

It is important for us to remember our roots and think of the next generation of "Harrisburgers".

The Harrisburg Haverim (Friends) Donor Society was established for those who live outside the Greater Harrisburg area. It is a channel for us former Harrisburgers to give back to the community that has given us so much. The fund supports the current needs of the Jewish Community, while setting up a long-term fund for future needs.

To date, we have raised close to \$14,000 from friends just like you! We want to help nurture those facilities and organizations within the Harrisburg Jewish community that have meant so much in our own lives — even after all these years and many miles from Harrisburg.

I urge you to consider our efforts and join us in our mission to help sustain the community that was our hometown, and is the source of so many cherished memories!

Please call me at: 816-891-7333, or e-mail me at: DaveRaffel@gmail.com if you have any questions, or would like additional information.

TEEN AGE MUSICAL LI'L ABNER IN REHEARSAL

The above picture is a typical day in more ways than one. The cast, or rather most of the cast is shown during a typical day in their busy rehearsal schedule. The clock shows that they have been rehearsing the opening number of *Li'l Abner*, aptly titled "It's a Typical Day" for one half hour and are looking forward to only another two and a half more.

Recent additions to the cast have swelled the size to the almost frightening number of 71. There is fervent hope that ticket sales for the two performances will go well. To make this prayer come true remember that the show will be performed at 8:30 PM on Saturday and Sunday nights, the 10th and 11th of December at the Mary Sachs Auditorium. Tickets may be obtained from Minnie Kessler at 234-6788 for the mere price of \$2.00.
