Dear Friends,

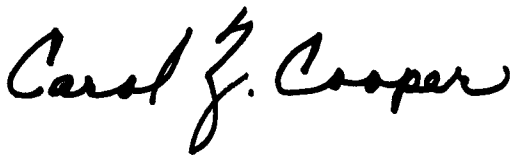

Thanks to you and your generosity, we were able to make a difference in the lives of hundreds of thousands of Jews this year. Here are just a few highlights:

- *Caring for the Vulnerable:* Federation created an Economic Crisis Fund to provide for critical and everyday needs like food, housing and utility payments, and medical care for individuals affected by the economic downturn.
- *Strengthening the Jewish Community*
 - *In Atlanta:*
 - We developed the ALEF Fund in response to a unique tax credit for Jewish education. Through the fund, we raised well over half a million dollars to support Jewish education at virtually no cost to contributors;
 - We launched a Community Engagement Initiative to more effectively touch the lives of members of our Atlanta community.
 - *In Israel:*
 - We supported Israeli citizens during times of crisis;
 - We stood in solidarity with them through events in Atlanta.
 - *And around the world:*
 - We continued to support Jewish institutions as they serve the needs of Jews of all ages;
 - We strove to ensure Jews everywhere are familiar with and proud of their heritage.
- *And much, much more.*

You'll find that this year's Annual Report departs a bit from tradition. We decided to weave information about our year throughout, just as Federation's work is woven into the fabric of our community.

You'll find facts about Federation's impact, along with recognition of donors, information about our partners, and a report on our financials that shows how we thoughtfully and meaningfully allocate your contributions. And we have done all of this in a more streamlined manner—to tell our story in a compelling, yet cost-effective way.

Thank you for the ongoing commitment that makes the good we do possible.

Carol Z. Cooper
Chair of the Board

Steven A. Rakitt
President

Economic Crisis Fund

Facing the most serious economic downturn in generations, the Jewish Federation of Greater Atlanta took bold action to lead the community as only we can. In December 2008, Federation launched an Economic Crisis Fund that continues to address the immediate needs of our most vulnerable community members.

Seeded with \$100,000 from Federation's operating budget and bolstered with an additional \$74,980 in generous community contributions through the end of the fiscal year, plus an additional allocation of \$135,000, the Fund provides vital resources needed to bridge the gap between current critical needs and the everyday needs supported by our Community Campaign.

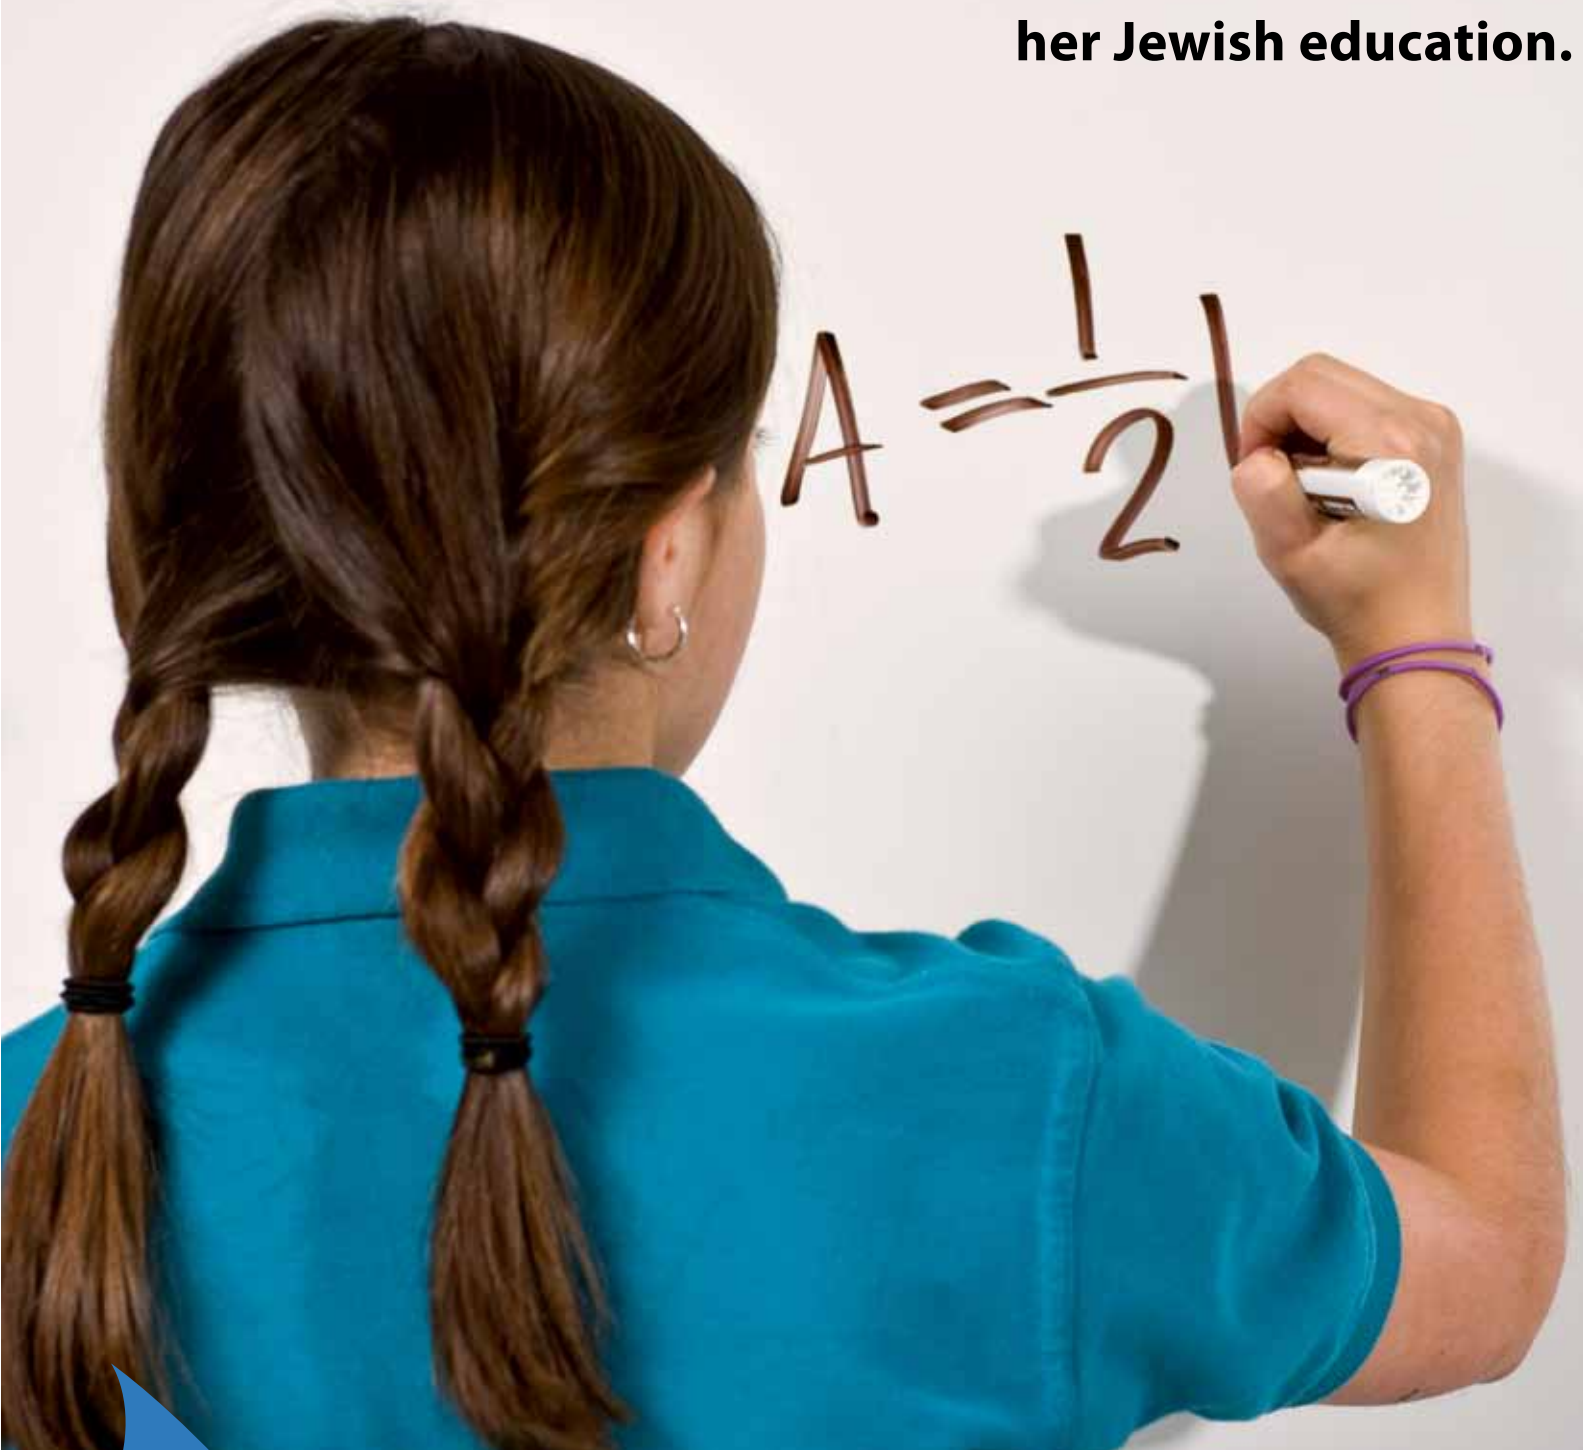

Through a partnership with Jewish Family & Career Services, the Fund provides services such as emergency financial assistance, food, housing, and medicine. More than 209 unduplicated individuals have received assistance, to date.

"Our role is the same today as it has been for more than 100 years—to support the most vulnerable members of our community," Federation President Steven Rakitt said.

Federation continued to lead Jewish Atlanta's response to the downturn by initiating operational cost-saving measures that made additional resources available to the community, pursuing government funds through advocacy efforts, and convening community organizations and members to create cost efficiencies and offer financial guidance.

**It's your daughter, years

Be recognized for service, socialize with like-minded people, receive support for your philanthropic goals, and take pride in being a part of our vibrant community. Live Generously. It does a world of good.

ALEF Fund 2008

This year, the Jewish Federation of Greater Atlanta responded to a unique tax credit opportunity for Jewish education and helped raise well over \$500,000—in only three months—to support Jewish education at virtually no cost to contributors.

Immediately after Georgia Governor Sonny Perdue signed legislation authorizing the program, Federation set up the ALEF Fund to accept contributions for student scholarships to Jewish day and high schools. The ALEF Fund, Inc. is a qualified Student Scholarship Organization (SSO) that collects funds and distributes scholarships to students entering kindergarten or transferring from public schools to attend local Jewish schools. Approved contributions to the fund earn a Georgia tax credit of up to \$1,000 for an individual or \$2,500 for a married couple filing jointly. An approved gift also may merit a federal tax deduction.

Thanks to Federation's creation of this independent 501(c)(3), the ALEF Fund allows you to help Atlanta's Jewish students grow in their Jewish identity. And thanks to the State of Georgia, this opportunity continues to be available in the 2009 tax year.

**It's you, meeting
your true love because
of your community
involvement.**

Be recognized for service, socialize with like-minded people, receive support for your philanthropic goals, and take pride in being a part of our vibrant community. Live Generously. It does a world of good.

Community Engagement Initiative

This year, the Jewish Federation of Greater Atlanta addressed the rapid growth of our Jewish community with the launch of our Engagement Initiative, which connects young professionals and young families to Jewish opportunities in Atlanta.

Through the initiative, Federation partnered with community organizations and developed and hosted a series of our own programs. Your generous support made the initiative a huge success, allowing us to attract more than 2,500 attendees, partner with 16 synagogues and organizations, and assemble a team of more than 250 volunteers.

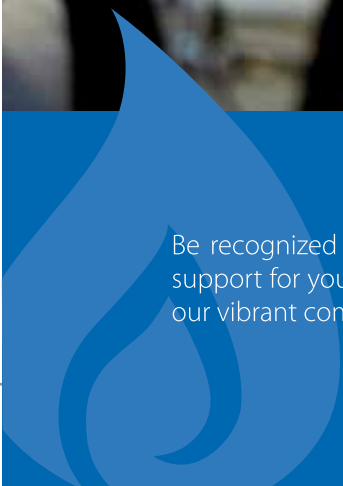

Two of largest programs of the year – Jewish Community Day with the Atlanta Hawks (for young families) and our Yom Ha'atzmaut Celebration (for young professionals) – brought many new faces into our Federation family. The remaining programming, such as the introduction of geographic lunch bunches (small networking lunches for young professionals), realized similar results.

It is an exciting beginning to an initiative that promises to strengthen Jewish Atlanta for years to come.

**It's you, finding meaning
in doing what's right.**

Be recognized for service, socialize with like-minded people, receive support for your philanthropic goals, and take pride in being a part of our vibrant community. Live Generously. It does a world of good.

Community Campaign, Allocations Process, and Outcome Initiatives

Your Federation raised millions of dollars for Jewish causes in a difficult economy, oversaw the continued success of our Outcomes initiatives, and coordinated an allocations process that ensured the best use of community resources.

We are proud that our Community Campaign 2009 reached more than \$15.6 million, and equally proud of the thorough, thoughtful, and collaborative allocations process that followed. Balancing a wide range of community viewpoints, our Allocations Committee devised a *Solomonic* solution that provided continued funding for our affiliate agencies, support for Federation's Outcomes initiatives based on measurable impact, and targeted designations to address the most urgent needs in our community.

**It's your grandmother,
proud you are doing
good in the world.**

Be recognized for service, socialize with like-minded people, receive support for your philanthropic goals, and take pride in being a part of our vibrant community. Live Generously. It does a world of good.

Support for Israel

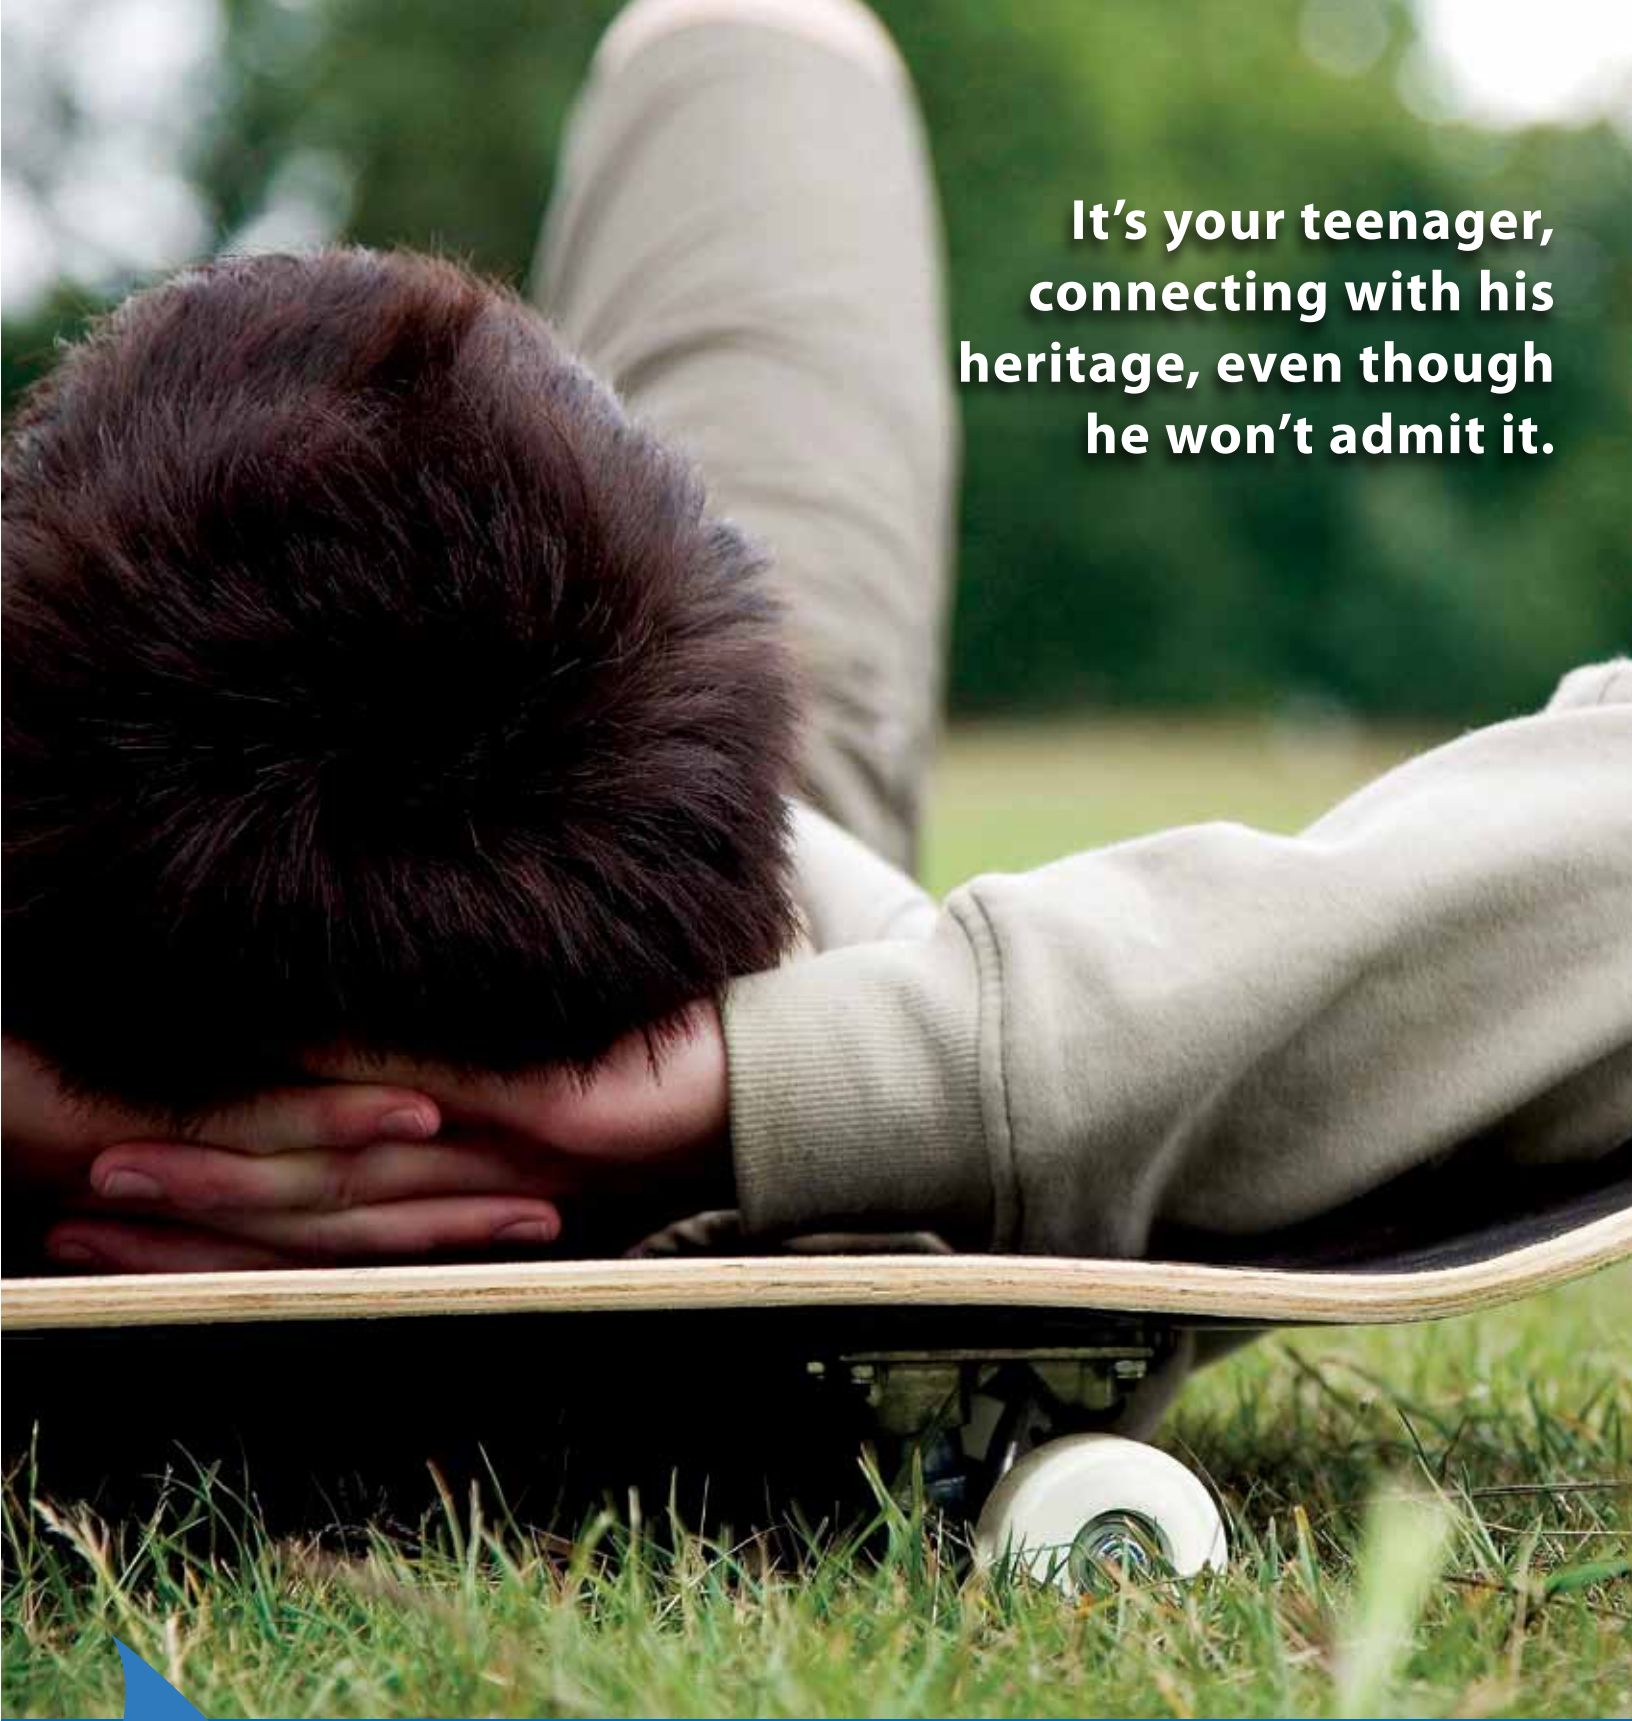

As rockets rained down on Israeli citizens near the Gaza Strip throughout 2008, the Jewish Federation of Greater Atlanta stood united in support of Israel and continued funding programs to assist Israeli citizens.

Praised by United Jewish Communities for funding “the right programs at the right time and in the right place,” our Federation provided vital assistance to innocent Israelis caught in harms way.

Focusing on those directly in the rockets’ path, Federation’s assistance includes funding the position of Emergency Coordinator for the Elderly, reinforcing one of the gathering rooms at the Sapir College Hillel to create a shelter against rocket attacks, along with the two portable bomb shelters that we provided during the prior year.

In Atlanta, Federation also worked to unify our community’s commitment to Israel. In December, Federation hosted a joint press conference with the Anti-Defamation League and the General Consul of Israel to the Southeast. Federation also co-sponsored a Community Solidarity Rally with Ahavath Achim Synagogue in January to encourage Atlantans to stand with Israel. Because of you, we were able to organize the rally in less than one week and have over 2,500 attendees.

**It's your teenager,
connecting with his
heritage, even though
he won't admit it.**

Be recognized for service, socialize with like-minded people, receive support for your philanthropic goals, and take pride in being a part of our vibrant community. Live Generously. It does a world of good.

**Jewish Federation
of Greater Atlanta**

Live Generously.®
