INDEPENDENT AUDITOR'S REPORT

To the members of
The Ottawa Jewish Community Foundation

Opinion

We have audited the financial statements of The Ottawa Jewish Community Foundation (the Organization), which comprise the statement of financial position as at December 31, 2022, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE OTTAWA JEWISH COMMUNITY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

1. Purpose of the organization

The Ottawa Jewish Community Foundation (the Foundation) is a public foundation with tax-exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act. Its purpose is to receive legacies, gifts, grants, bequests, endowments and donations in kind and to apply from time to time all or part thereof and the income therefrom for religious, educational and other charitable purposes.

2. Significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Cash and cash equivalents

Cash and cash equivalents can include cash on hand and balances with financial institutions (net of temporary overdrafts). The Foundation holds some cash and cash equivalents in its managed investment portfolio. Investments of the Capital Fund represent the Foundation's endowment and managed funds, and since these balances are not available for operations they are excluded from cash and cash equivalents.

Fund accounting

The Operating Fund reports revenues and expenses related to program delivery and administrative activities.

The Capital Fund reports endowment contributions and bequests.

Unrestricted investment income earned (losses incurred) on Capital Fund resources is recognized as revenue of the Operating Fund.

Capital assets

Capital asset acquisitions in excess of \$5,000 are capitalized and amortized over their useful lives. Capital asset acquisitions under \$5,000 are expensed as incurred. Capital assets are recorded at cost. Amortization is provided as follows:

Computer system

Straight line over 10 years

Amortization is recorded at one-half of the above rate in the year of acquisition.

THE OTTAWA JEWISH COMMUNITY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

2. Significant accounting policies (continued)

Allocations

The Foundation recognizes 4.0% (2021 - 4.0%) of the monthly average endowment fund balances as available for distribution for those funds that made grants in the year. Allocations made in excess of this amount per endowment fund is charged to the Capital Fund whereas income earned in excess of allocations is recapitalized to the Capital Fund.

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions. Restricted contributions, including endowments and bequests, are recognized as revenue of the Capital Fund in the year received.

Unrestricted contributions are recognized in revenue of the Operating Fund in the year received.

Income from investments are included in the Operating Fund as amounts made available for allocation, at the discretion of the board and are recognized in accordance with the financial instruments note.

Interfund transfers

It is the Foundation's policy to transfer any net result for the year from the Operating Fund to the Capital Fund.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the result for the period in which they become known.

THE OTTAWA JEWISH COMMUNITY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

2. Significant accounting policies (continued)

Financial instruments

Measurement of financial instruments

The Foundation initially measures its financial assets and liabilities at fair value. The Foundation subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in the net result for the year.

Transaction costs

Transaction costs are recognized in the net results in the year incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance, or assumption.

THE OTTAWA JEWISH COMMUNITY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

3. Investments

Investments of the Capital Fund are comprised as follows:

	2022	2021
Cash equivalents	\$ 583,249	\$ 1,557,553
Corporate bonds	9,174,670	11,477,030
Government bonds	11,219,096	15,663,360
State of Israel bonds	1,112,192	1,101,938
Canadian equities	11,884,965	14,116,474
Global equities	26,227,718	30,702,811
Alternative investments	11,341,996	6,887,149
	<u>\$ 71,543,886</u>	<u>\$ 81,506,315</u>

Allocated as follows:

	2022	2021
Ottawa Jewish Community Foundation	\$ 52,471,721	\$ 60,753,426
Managed funds (note 7)	19,072,165	20,752,889
	<u>\$ 71,543,886</u>	<u>\$ 81,506,315</u>

Investment in financial instruments renders the Foundation subject to investment risks. These include the risks arising from changes in interest rates, in rates of exchange for foreign currency, and in market values of domestic and foreign equity investments. They also include the risks arising from the failure of a party to a financial instrument to discharge an obligation when it is due.

Concentration risk exists when a significant proportion of the portfolio is invested in securities with similar characteristics or subject to similar economic, political or other conditions. Management believes that the concentrations described above do not represent excessive risk.

Foreign currency exposure arises from the Foundation's holdings of non-Canadian bonds and equities. As at December 31, 2022, the Foundation held 37.1% (2021 - 37.8%) of its investments in securities subject to foreign currency exposure.

Interest rate price risk arises from the Foundation's holding fixed income investments where the interest rates can fluctuate.

The Foundation has adopted investment policies, standards and procedures to control the amount of risk to which it is exposed.

Investment counsel, custodial and advisors fees of \$418,571 were paid during the year (2021 - \$483,326) and are recognized as a reduction of investment income.
