

LIFE & LEGACY®

Assuring JEWISH TOMORROWS

Come meet our organizations

OTTAWA JEWISH
COMMUNITY FOUNDATION

WHAT IS LIFE & LEGACY™?

LIFE & LEGACY is a partnership of the Harold Grinspoon Foundation (HGF) and Ottawa Jewish Community Foundation. LIFE & LEGACY promotes after-lifetime giving to benefit local Jewish day schools, synagogues, social service organizations and other Jewish entities. Through training, support and monetary incentives LIFE & LEGACY motivates Jewish organizations to integrate legacy giving into their philanthropic culture in order to assure Jewish tomorrows.

Legacy giving begins with a conversation.

Whether it's the SJCC, Federation, a synagogue or Camp B'nai Brith, Jewish communal organizations and congregations have provided life-enriching experiences to members of our community, and in one way or another, your life is rooted in experiences connecting you to Jewish Ottawa.

Those of us who have been touched want to know that our cherished institutions will be there in the future to benefit the lives of others.

What will our community look like?

Let's talk. Tell us about your favorite Jewish traditions.

What Jewish programs & activities are meaningful to you?

What would you like to see in our community's Jewish future?

Enclosed in this booklet are the Ottawa LIFE & LEGACY partner organizations' Legacy Statements about why giving is so important.

CAMP B'NAI BRITH OF OTTAWA

At CBB of Ottawa our goal is to offer a summer “home away from home” where children can learn about and take pride in their Jewish culture, community and heritage including the unbreakable bond with the State of Israel. It is a place where connection to the Jewish community can become part of a child’s life forever.

Something magical and wondrous happens when kids are at camp. They sing Jewish songs and consider Jewish values and philosophy – building their Jewish identity all while having the time of their lives and building friendships that last a lifetime. For many campers, Camp B’nai Brith of Ottawa offers the single most intensive opportunity to experience Jewish life. Being with Jewish friends teaches kids that it’s “normal” to be Jewish and to live a Jewish lifestyle. For some campers, the Jewish community at camp evolves into a lifelong group of friends.

Imagine the conversation around the campfire that first summer of 1935, or in 1948, or 1967. Camp is where kids and staff explore their thoughts, worries, dreams and abilities surrounded by a loving and nurturing community that provides a cushion to the outside world. Campers experience the beauty of nature, gain self-confidence from learning new skills, and take on opportunities of leadership. It is a place where children can grow both individually and as a group. It is a place where important socializing skills are developed and where lifelong friendships are formed.

Camp inspires a lasting connection to the Jewish people, Israel and our local community, providing the foundation for a meaningful Jewish life. Camp encourages kids to take on tasks that enable them to become more responsible and self-confident leaders at home and in their communities.

Members of the CBBO Legacy Council; are individuals just like you who believe that ensuring the future of Judaism will happen by igniting a spark in children to love Judaism and the Jewish people so they will lead Jewish lives and be leaders in their community.

Through your Legacy gift, you will be remembered forever at camp and your own Legacy will be inspiring children to stretch, grow, lead, and live Jewish lives for many generations to come. Please join us in ensuring we can continue to provide the opportunity and gift that is the Camp B’nai Brith of Ottawa experience!

CONGREGATION MACHZIKEI HADAS

Machzikei Hadas is the premier Jewish institution in Ottawa.

For the hundreds of members who call Machzikei “Our Shul”, it is much more than that. It is where every day is a Jewish holiday, a time to learn, and a place to celebrate or find comfort and support when the need arises. Our Shul exudes a warm and comfortable environment that embraces and welcomes

everyone. Our shul is dynamic and responsive to the needs of its members. That sense of togetherness extends well beyond the four walls of the institution itself.

Our knowledgeable and accessible Rabbinic staff are always available to deal with life issues, large or small, and our capable office staff are ready to provide information and assistance. Our shul is known as the “go to” place for visitors from out of town who want a Minyan any day of the week or a place to stay on a Shabbat or Yom Tov. Locals from across the city also know that we have a reliable Minyan for every service every day and that it is open to anyone. For the general community in Ottawa too, our shul is the place that students, media personnel and political leaders turn to when they want to know about Judaism.

Beyond the basic services one associates with an Orthodox Shul, we provide excellent programming: cultural events with Israeli experts; guest lecturers on many topics; regular learning sessions for all levels and interests; outstanding children’s programmes and family oriented social and cultural opportunities. Machzikei is also a venue chosen by many for city-wide functions. Ours is not just an institution, it is a community of people that nurtures life-long friendships and embraces and encourages the growth of its members. It is clear why so many of the Machzikei family choose to mark their birthdays, anniversaries, graduations or just their joy in life with an open event at the Shul.

The Ottawa Jewish Community is greatly enriched by the presence of Machzikei Hadas and all it has to offer. We are a magnet for new young families wishing to relocate from other cities and for Ottawans choosing to return to our city. We have a rich and proud history and we look forward to a dynamic, productive and meaningful Jewish future.

DIGNITY | KINDNESS | COMPASSION

We believe that everyone deserves to be treated this way.

For 40 years, you have been our partner, using these values to guide us as we serve those who need it most. When we see homelessness, domestic abuse, mental illness, or people living precariously because of unstable incomes, you are with us, ready to guide our neighbors from crisis to calm, from anguish to awareness, and from isolation to connection.

We work with complex, long-term issues that require on-going investments in time and resources. Regardless, you trust us to identify the needs of our community and with ingenuity to develop programs that make a difference - guiding people to stability and health.

JFS represents the Jewish values of tzedakah and tikkun olam to our broader Ottawa community and our clients, many of whom are not Jewish.

Our Legacy donors are people just like you who believe that JFS must be a welcoming home where neighbours can reach out for help and receive it unconditionally.

Your Legacy gift will ensure that the Jewish community will always provide for the most vulnerable among us.

JEWISH FEDERATION OF OTTAWA

The Jewish Federation of Ottawa is committed to helping each and every Jew live their best Jewish life.

Federation funds, leads, unites, cares and nurtures the Jewish community. We connect lives and enhance Jewish experiences for all, while respecting diversity and uniqueness. We meet you. We welcome you.

The Federation is dedicated to advancing and promoting an exceptional quality of Jewish life in Ottawa that is inclusive and accessible. We are guided by the core values of Torah, chesed (loving kindness), k'lal Yisrael (Jewish peoplehood), tzedakah and tikkun olam (repairing the world), as well as an enduring affinity and support for the Jewish State of Israel.

Our work provides communal oversight that crosses all boundaries and unites a strong and vibrant community, guaranteeing that everyone's needs, big and small, are planned for and met. We will leave no one behind. In so doing, one of Federation's greatest assets is our adaptability and the holistic nature of the funding we provide to community organizations. In an unpredictable future, Federation's financial support to community organizations has proven invaluable for decades and legacy donors can be an enduring part of this legacy.

Our Legacy donors are individuals like you who care about the Jewish community and want to guarantee that Jewish Ottawa thrives so we can promise our children, grandchildren and generations to come that they too will enjoy meaningful Jewish lives.

JEWISH MEMORIAL GARDENS

Jewish Memorial Gardens honors our ancestors. We provide a place of solemnity and tranquility, where visitors can pay respects to their loved ones and we ensure that everyone in the Jewish Community will have a place to rest in peace and dignity.

The care and dignity of our deceased is a central value in Jewish tradition. This mitzvah, Kavod Hamet, is a mitzvah that is pure – knowing that the recipient can never repay us in kind. This mitzvah is so important to Jewish life that in each new Jewish community, the first institution to be created is a cemetery to provide the varied halachic needs of our community members with compassion and caring at the most difficult of times for families.

The grounds connect us to our ancestors and provide us with places to observe a key precept of our Jewish tradition, that of honouring our parents. Many of us visit regularly to reflect and to remember those of our family and friends who are no longer with us. Even in these days of increasing secularism, at time of death, many unaffiliated members of our community return to their roots by being buried in a Jewish cemetery. Jewish Memorial Gardens also serves as a point of return for our children and grandchildren, who may now live in other cities.

Sadly, in many cities around the world, including in North America, cemeteries have deteriorated to the point where they are either closed, or are unsafe to visit. Part of JMG's mandate has always been to keep costs to the community as low as possible, however, the price of maintaining the properties continues to increase, and that maintenance has to continue at a high level forever. The cemeteries have served as a cornerstone for the community, and it is vital that they are maintained well into the future.

You may be descended from a historic community family with dozens of relatives in the cemeteries, or you may be relatively new to Ottawa, but wish to eventually be buried in a respectful and dignified manner in a traditional Jewish cemetery. Perhaps we assisted you at time of need when a loved one passed away. Whether you are affiliated or unaffiliated, Orthodox, Conservative, Reform, or other, we will be here to care for you and your family.

Our Legacy donors are people, just like you, who want to perform Gemilut Hasadim (acts of loving kindness) for ancestors and descendants of family and friends in perpetuity.

Your Legacy gift will honor those who have passed as well as offer comfort to the community that there will always be a safe, beautiful and peaceful place to rest among the Jewish Community.

Kehillat Beth Israel

KEHILLAT BETH ISRAEL

Kehillat Beth Israel is a sacred community where people join together to pray and to learn, to celebrate and be celebrated, to comfort and be comforted. Guided by dedicated clergy and lay leaders, our services inspire meaningful prayer, with all participating equally. At KBI, lives are enriched through Torah study, music and educational programs as well as connecting with friends at morning minyan breakfast, Shabbat kiddush, and family simchas. The shul offers

a warm and nurturing environment where together we experience the rhythms and rituals of the Jewish calendar and changing seasons.

In our all too often divided world, KBI is a sanctuary, a safe and inviting environment where congregants take care of each other and make lasting and meaningful relationships. We're invested in the well-being of the entire community, providing for people who are most in need with our Kosher Food Bank while creating opportunities for all of us to come together in shared purpose.

Shul is the place where we sat with our parents and grandparents and recited the Shema. It is where we saw our children gather on the Bimah to belt out Adon Olam and where we proudly watched our family members feel the profound love of the community at their B'nai Mitzvah or under the chuppah. And just as we were privileged to have these experiences, we want to make sure that generations more have the same opportunities. In these and so many other ways, our legacy donors are making a promise to our children, grandchildren and generations to come that they will have a thriving Jewish community to embrace and enrich their lives as Jews.

We invite you to include KBI in your will as a beautiful way to demonstrate your dedication and connection to our congregation, to our community, and to our future.

Ottawa Jewish
Community School

OTTAWA JEWISH COMMUNITY SCHOOL

Since 1949, the Ottawa Jewish Community School has been a cornerstone of Jewish life in Ottawa. We develop leaders and active members of the Ottawa Jewish community who contribute to Jewish life and to the quality of life in Ottawa in an extremely significant manner. We create leaders of Jewish organizations, schools and synagogues, all of which flourish as a result. Jewish leadership requires Jewish leaders who know how to lead – not just as Jews, but according to Jewish values.

We welcome students of all Jewish backgrounds and bring them together to learn with and from each other, fostering a true sense of respect for klal yisrael. We take seriously our mission to provide Ottawa's Jewish community with a rigorous, high-quality, innovative education guided by six North Stars.

1. We own our own learning. We write our own story.
2. There's a floor here – but no ceiling. We expect a rigorous private school floor for each grade, but no limits to a child's potential.
3. We learn better together.
4. Ruach (joyfulness / spirit)
5. We are always on inspiring Jewish journeys.
6. Each person is responsible for the other

We are proud of the exciting and innovative learning environment that our students enjoy. They don't simply learn from a textbook; they actively engage in bringing that knowledge to life. Our students print kiddush cups in a 3-D printer, spend time following their passions during "genius hour", take after school art classes taught in French, and have even created an experiential escape room entirely in Hebrew. Our middle school students participate in a multiday retreat each fall at Camp B'nai Brith of Ottawa, learning that education extends beyond the classroom, involving interpersonal connection and team building. This is no typical education; this is an education that prepares our students for a life of intellectual curiosity.

Our legacy donors are people, just like you, who believe that a strong Jewish Day School education is the foundation for the leadership of a community and that it is every person's responsibility to support it. Your Legacy gift will count you amongst those who believe in the educational experience that we provide and the impact it has on Ottawa's Jewish future.

OTTAWA TORAH CENTRE CHABAD (OTC)

There is a special, warm feeling that people experience when they enter OTC, whether for the first time or on a regular basis; whether for a Shabbat service or to attend a program. OTC exudes a non-judgmental and welcoming embrace, serving every Jew in the nation's capital with unconditional love regardless of their background or affiliation.

Over twenty years ago, a seed was planted in a quiet Barrhaven neighbourhood and it has blossomed into an important pillar of Jewish continuity in Ottawa. OTC has developed into a thriving multi-faceted organization that provides innovative programs, where everyone can have a meaningful Jewish experience that is intellectually, emotionally, culturally and socially satisfying and inspiring. OTC rekindles and invigorates that special holy spark that lies within every single Jew to reinforce the bond of identification with, and love for, G-d, Torah and Israel.

At the core of our efforts is a desire to ensure Jewish continuity through increasing Jewish pride, knowledge, and commitment. Through our full array of inclusive, creative, educational and social programs, as well as our Synagogue and Hebrew School services, OTC engages people of all ages and backgrounds, including those who may feel disconnected from their Jewish community and roots, providing them with meaningful Jewish experiences.

By becoming an OTC Legacy donor you will:

- Ensure that OTC can continue strengthening Jewish identity, unity and commitment into the next generation and beyond.
- Help us bring our warm spiritual and uplifting approach to an expanded circle of participants who will experience the joy of Jewish life at OTC.
- Ensure a bright Jewish future for our community.

TAMIR

Tamir is the sole organization in Ottawa dedicated to ensuring people with developmental disabilities live with dignity and respect within a framework of Jewish values.

Whether individuals live semi-independently needing only a few hours of support per week or are highly vulnerable having a variety of complex medical needs requiring around the clock support, 365 days per year, we ensure each person has the care and support they require. People have opportunities for personal growth and community involvement through volunteer work, employment, recreation and other meaningful roles in their community.

We ensure individuals live in kosher homes, have opportunities to belong to and participate in synagogue life, achieve Bar/Bat Mitzvah and other milestones, observe and celebrate the major Jewish holidays alongside family and friends and live fully inclusive Jewish lives.

When we relieve parents of their constant responsibilities as caregivers we enable them to cope better. When their children are well cared for and succeed, they too are more likely to thrive as fully engaged, contributing members of our community. When we assist Jewish families, we strengthen the integrity and enrich the fabric of our Jewish community. Everyone benefits.

The question that weighs most heavily on parents of children with developmental disabilities is “what will happen to my child when I am gone”. The Government of Ontario provides for only basic needs and coverage of escalating costs is precarious.

With your support, we can respond to families with confidence that our most vulnerable will receive the quality care and support they require today and for generations.

As the only organization in our Jewish community dedicated to this cause, if we don't respond, no-one else will. Our legacy donors are people like you who want to ensure our most vulnerable are well cared for and have every opportunity to live full Jewish lives within our Tamir family and in the mainstream of our community.

You can demonstrate your support for this vital community resource we all cherish by making a Legacy gift today!

Temple Israel

Jewish Life Happens Here

TEMPLE ISRAEL

Temple Israel is a home for families of all configurations, for individuals whose life choices are varied and for all age groups. What unites us is a personal commitment to pursue the sacred in a community of likeminded Jews built on the foundations of a house of prayer, study and assembly. For over 50 years we have grown from a handful of visionary families to become a thriving synagogue. We are the destination and voice for Reform liberal Judaism in Ottawa.

We are a warm, inclusive and dynamic community. We respect the ideals of our tradition while embracing new and creative interpretations to keep our Jewish tradition meaningful and relevant today and for generations to come.

We are a spiritual family. We celebrate holidays and life cycle events, raise our voices in song and prayer, study Torah and ancient texts, join hands to support Israel, explore our Jewish identities and care for one another in times of challenge and loss. For so many of us, the most meaningful moments of our lives are inextricably interwoven with our Temple family. Together we build friendships across generations to sustain a vibrant community.

We hold an unwavering commitment to lifelong Jewish education. We guide our children to become mensches, “decent, honest and responsible” and leaders of tomorrow. We study Jewish traditions and customs, pray with music and joy, form close friendships, and integrate our Jewish values as we navigate the world.

We have a strong connection to social action. With an emphasis on righteousness, justice and equality in society at large, we strive to foster Shalom (peace) and Tikkun Olam (repairing the world) in an increasingly fractured world. Temple is the hub from which we live our Jewish values by engaging in activities to improve the broader community in which we live.

Our legacy donors are people like you, who love and treasure our Jewish traditions, who share strong bonds created at Temple Israel and who want our children, grandchildren and generations to come to be enriched by a strong and thriving Reform synagogue in the heart of Ottawa.

TORAH DAY SCHOOL OF OTTAWA

Today's children are the future of our community. At Torah Day, this idea drives us -- to ensure we provide our students with the tools they need to serve as future Jewish leaders. As the only Orthodox day school in Ottawa, we are committed to serving all of our community's Jewish children - regardless of their background or religious lifestyle.

For over 20 years we have been inspiring children and young adults who go on to become Jewish community leaders. We are the backbone of the community, instilling Jewish pride, a love of being Jewish and continuity for a Jewish future. Our school is an integral part of Ottawa's Jewish infrastructure and many families and community leaders are drawn to Ottawa because of Torah Day.

Our values, based upon Torah and tradition, are at the core of everything that we do - and visible on a daily basis at school and beyond. When our children visit Hillel Lodge or host an intergenerational event - our values are on display. When our education inspires the students to appreciate Shabbat each week - we know we are fulfilling our mandate. When our graduates serve as Jewish leaders on university campuses or volunteer on Federation boards - we can see our success. When we gather on winter Saturday nights for a parent/child learning program and attendance tops one hundred participants - we know our future is more secure.

Our supporters are people who understand and appreciate Torah Day's role as a Jewish anchor for our community, now and in the future. Please consider joining our community of donors - parents, grandparents, alumnus and community leaders - who appreciate the anchor to tradition that Torah Day represents. Our Legacy Society is about the future -- the future of our children and the future of Ottawa's Jewish community.
