Q1. Increasingly, Jewish Ottawans are concerned about rising antisemitism. As a city councillor, will you advocate to ensure that antisemitism is included in all resources and training as an integral part of all municipal anti-racism programs?

Anti racism is part of the charter rights for all Canadians.

Q2. How are you going to push back against antisemitism in all of its forms?

I support charter rights and existing laws against discriminatory behaviors.

Q3. As with all at-risk communities, there are various times in the year when the Jewish community is required to hire extra security to protect our houses of worship and organizations. Will you support the use of paid duty officers to provide that needed security?

Private organizations hosting private events may supply their own security.

Q4 . Are you in favour of continued funding for the Ottawa Police Services Hate Crimes unit?

The ops will be adequately funded.

Q5. The governments of both Canada and Ontario, as well as some municipalities, have adopted the International Holocaust Remembrance Alliance's definition of antisemitism. Would you be supportive of Ottawa adopting this definition of antisemitism as well?

People are constantly reminded of the holocaust yet today we see war crimes around the world.

Q6. Tamir is a non-profit organization dedicated to assisting developmentally disabled people and those with autism. Plans for upgrades and expanded services stalled due to COVID. Will you be an ally and advocate for Tamir to receive help in upgrading their facilities?

We need to look after those less fortunate than ourselves.

Q7. Food insecurity for seniors is on the rise. How will you support the city's ethnocultural (kosher/halal) meals on wheels and food bank programs to help address food insecurity for those who are most

vulnerable?

The food bank is a volunteer, non profit organization providing food to over 50,000 individuals.

Yes

Q2. How are you going to push back against antisemitism in all of its forms?

The City will continue to enhance its Anti-Racism Strategy which works to address antisemitism. The City will also continue to support the United For All initiative, which is designed to address antisemitism, violence and discrimination in the City.
