

TWIN CITIES MAIMONIDES SOCIETY

Co-chairs: Dr. Frederic Nemer and Dr. Arnold Brier

The Twin Cities Maimonides Society salutes its Leadership Circle and Honor Roll members who individually contribute a minimum of \$3,600* or a minimum of \$1,200 respectively to support our local and overseas Jewish communities through the annual campaign of the Minneapolis Jewish Federation or the Jewish Federation of Greater St. Paul. Their shared commitment to health care, community, and Jewish philanthropy strengthens our Jewish family across the United States, Israel, and 70 countries around the world.

List as of May 15, 2014

The Twin Cities Maimonides Society (a division of the Minneapolis Jewish Federation and the Jewish Federation of Greater St. Paul) is a community of Jewish health care providers and students who encourage and strengthen community amongst society members, provide programming and public service opportunities for *tikkun olam* (repair of the world), and raise money for local and overseas Jewish communities through the Federations' Annual Campaigns.
