

The only thing better than an **AMAZING SUMMER** is having someone else help pay for it!

Meet **ONE HAPPY CAMPER.**

At Jewish overnight camp, kids can sing, dance around the campfire, and bounce on the water trampoline! They can choose from a huge variety of activities—boating, rock climbing, cooking, sports, painting, drama, farming—you name it. The fun never stops!

Visit ONEHAPPYCAMPER.ORG to learn how the One Happy Camper program can help your child get to overnight camp this summer. Or contact Heather Fiedler at Jewish Federation of Greater Hartford, hfiedler@jewishhartford.org or 860-727-6121.
