It can feel like anti-semitism, racism and bullying simply go unchecked in our society. But we have the power to change this dynamic - starting with our everyday lives. At this event, Nancy Rosen will facilitate a conversation around the challenges of nurturing our own sense of empathy and compassion and how to teach it to others.

Nancy Rosen is the director of teaching and learning and head of the Judaic Studies department at the Solomon Schechter Day School of Greater Hartford, where she has taught for the past 25 years. Nancy and her husband, Rabbi Jim Rosen, live in West Hartford and have three grown children.

Hope you can come - feel free to bring a friend!
