

## What we've heard...

Here are just a handful of comments parents have shared with us about Camp Gan Shalom:

- Our kids loved everything, the friends they made, the field trips, playing Gaga, and Shabbat.
- The growth my child experienced was incredible. Thank you! It has been an amazing summer for him.
- I was impressed by how caring the camp staff were of the campers, and it was nice to see their positive enthusiasm while they interacted with the children.
- My daughters loved it! Cannot wait to come back.

## Send a kid to camp

Recent studies show that the single most powerful and formative experience in building Jewish identity for children is Jewish summer camp. Summer camp increases a child's self-identity, self-worth, self-esteem, and builds leadership. Help send a kid to camp and deepen our impact on the youth of the greater San Gabriel and Pomona Valleys by donating today to the Jewish Federation's Youth Fund.
