

What we've heard...

Here are just a handful of comments parents have shared with us about Camp Gan Shalom:

- He did not want me to pick him up too early because he was having so much fun!
- She loved it and wanted to keep coming - she just asked me the other day how long until she could come back.
- I like that my son is getting Jewish culture in an incredibly fun way.
- My child had so much fun. The counselors were really great. He wants to spend his entire summer at Camp Gan Shalom next year.

Send a kid to camp

Studies continue to show that Jewish summer camp is the most powerful and formative experience in building a strong Jewish identity for children. Summer camp increases a child's self-identity, self-worth, self-esteem, and builds leadership. Help send a kid to camp and deepen our impact on the youth of the greater San Gabriel and Pomona Valleys by donating today to the Jewish Federation's Youth Fund.
