

Community Planning & Allocations Application

Program Eligibility Requirements

1. All proposed programs should serve the San Antonio Jewish community in a meaningful, innovative, and relevant way by addressing one or more of the following community initiatives:
 - Engagement & Community Building
 - Help to promote and build a diverse and inclusive SA Jewish community.
 - Leadership Development and Capacity Building
 - Support the development of a strong and sustainable SA Jewish community.
 - Collaboration and Communication
 - Work closely with other SA Jewish agencies and synagogues, and community partners.
 - Resource Development and Financial Sustainability
 - Promote the sustainability of the SA Jewish community by supporting the JFSA Annual Campaign and legacy giving.
 - Facilitate the Community Conversation
 - Help bring leaders of the SA Jewish community together to have conversations about important topics.
2. Program must benefit the San Antonio Jewish community without membership requirements.
 - Ex. Cannot be solely directed at the membership of a specific congregation
3. Program can be directed at a subset of the community.
 - Ex. It can be directed at serving senior citizens
4. Innovative programs, as well as programs geared toward the long-term sustainability of the SA Jewish community, will be given preference for funding.
5. Program Funding must be spent during the fiscal year of the allocation.
