

## Community Planning & Allocations Application Committee & Role

1. The Community Planning & Allocations (P&A) Committee is comprised of community members representing a range of interests and experiences. Although members may have held or may currently hold leadership positions with constituent agencies, no members may serve as representatives of any applicant agency. The committee is chaired by the Vice Chair of Community P&A of the JFSA.
2. The P&A Committee of the JFSA makes funding recommendations to the Board of Directors regarding the following: Program funding proposals submitted by local Jewish community agencies. Other international, national and regional beneficiary agency allocations.
