

Jewish Federation of New Hampshire COVID-19 Guidelines

While the state of New Hampshire is in red (substantial transmission) status the below guidelines will be in effect.

Indoor Meetings

- For JFNH meetings of 10 or fewer fully vaccinated adults masks are strongly encouraged but are not required
- If in a group of 10 or fewer anyone at the meeting is only comfortable if everyone is wearing a mask, the group will wear masks.

Indoor Adult Programing

- All adults and children ages 2 and older must be masked regardless of vaccination status
- When adult program involves a speaker only, participant capacity of the JFNH programming space will be capped at 30 people in order to allow for social distancing.
- When adult program involves food, participant capacity of the JFNH programming space will be capped at 20 people in order to allow for social distancing.
- Fully vaccinated individuals may remove their mask while actively presenting and replace it once presentation is over.

Indoor Children's and Family Programing

- All adults and children ages 2 and older must be masked regardless of vaccination status
- JFNH will only offer indoor programming to those who can safely wear masks (ages 2 and older)
- Programing will be capped at 10 children to allow for parent participation in the program
- For programs with children 5 and older food is permitted. For programs with children under 5 if food is provided it will be as take home snacks only.

Outdoor Programing

- Masks are recommended but not required
- Participation will be capped only if a space does not allow for adequate social distancing
- Food is permitted at outdoor programs

**The Jewish Federation of New Hampshire COVID-19 Guidelines will be reassessed when New Hampshire's COVID transmission levels fall to yellow as per CovidActNow*
