Israel Bonds, regular issue (not variable rate or zero coupon)* and at least three years old can be accepted and be receipted for the face value when contributed to UJFT. **Please do not write anything on the back of the bond.** A completed assignment form must accompany the bond and **each bond type needs a separate assignment form.** All owners of the bond must sign the assignment form exactly as the names appear on the bond. Such signatures should be witnessed by a bank officer at a bank that is a member of a securities Medallion Program who will complete their part of the attached form.
