

1. The checkin tablet should automatically be showing the following page:

2. Begin by typing your last name

3. Select your name from the dropdown list.

4. The list of classes that you are registered for will show up on the screen. You want to select the one that is listed as starting in the next hour.

The system will not allow anyone to check in for a class more than an hour in advance. In the event that you've forgotten to check in, you can do that up to an hour after the class. This tool will NOT SHOW anything other than your reservations for classes or the pool.

WELCOME, WARD CLEAVER

June 24th, 2025 | 10:12 am

Reservations

SS CLASSIC
