INDEPENDENT AUDITORS' REPORT

Board of Directors
Jewish Federation of Greater Kansas City
Kansas City, Missouri

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Jewish Federation of Greater Kansas City, which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Jewish Federation of Greater Kansas City as of December 31, 2024 and 2023, and the changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Jewish Federation of Greater Kansas City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jewish Federation of Greater Kansas City's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jewish Federation of Greater Kansas City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jewish Federation of Greater Kansas City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 NATURE OF ORGANIZATION

The Jewish Federation of Greater Kansas City (the Federation) was established in 1933 to serve as the central fundraising and planning body of the Kansas City area Jewish community. Funds are raised from the public, primarily through an annual giving campaign, and are distributed to Jewish Agencies to sustain and enhance Jewish life at home and around the world.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

The financial statement presentation follows the requirements of accounting principles generally accepted in the United States of America by presenting assets and liabilities within similar groups and classifying them in ways that provide relevant information about their interrelationships, liquidity and financial flexibility. As a result, the Federation is required to report its financial position and activities according to the following two net assets categories:

Net Assets Without Donor Restrictions – This category includes net assets that are not subject to donor-imposed stipulations, as well as net assets designated by the board for specific purposes.

Net Assets With Donor Restrictions – This category includes net assets subject to donor-imposed stipulations that will be met by actions of the Federation and/or the passage of time. Certain net assets in this category are subject to donor-imposed stipulations that they be invested in perpetuity to provide a source of income to be used for general or a specific purpose.

Estimates and Assumptions

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Cash

The Federation considers all bank balances as cash. Cash and cash equivalents held with investment managers are considered investments for reporting purposes. The Federation maintains cash balances at banks in excess of federally insured limits at various times during the year. The Federation has not experienced any losses in such accounts.

JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment return includes dividends, interest, and other investment income net of related expenses, realized and unrealized gains and losses on investments carried at fair value and realized gains and losses on other investments.

Investment return that is restricted by donor stipulation and for which the restrictions will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statement of activities without donor restrictions or net assets with donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

The Jewish Community Foundation of Greater Kansas City (the Foundation) maintains pooled investments for the Federation's endowments. Investment income and realized and unrealized gains and losses from securities in the pooled investment accounts are allocated monthly to the individual endowments based on the relationship of the fair value of the interest of each endowment to the total fair value of the pooled investment accounts, as adjusted for additions to or deductions from those accounts.

The Federation invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of financial position.

Accounts and Notes Receivable

Accounts and notes receivable are stated at the amounts that management expects to collect from balances outstanding at year-end. The Federation provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information, existing economic conditions and management's assessment of collectability. Delinquent receivables are written off based on credit evaluation and specific circumstances of the agency or customer.

Promises to Give

Unconditional promises to give are recognized as support in the period the promises are received. Generally, promises to give relate to the annual campaign, are expected to be collected within one year and are recorded at their net realizable value. From time to time, the Federation may receive annual campaign or other promises to give that are to be collected over multiple years which are recorded at their net realizable value less a discount allowance to reflect the present value of future cash flows. Promises to give expected to be collected over multiple years are reported net of a discount, at a rate of 3.5%, to the present value of future cash flows.

**JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises to Give (Continued)

The allowance for uncollectible annual campaign promises to give is computed using varying rates applied to outstanding balances, based on the age of the respective promises to give, as follows:

	Ending Allowance Percentage
Unpaid Promises to Give Recorded in the Current Year	2 %
Unpaid Promises to Give from Prior Year	50
Unpaid Promises to Give from Two Years Prior and Earlier	100

The annual provision represents the amount required to adjust the ending allowance for uncollectible promises to give to the balance computed using these percentages which represent management's estimate of uncollectible accounts based on all available facts and circumstances. Differences between the actual amount of uncollectible promises to give and the estimate provided by management are charged or credited to operations during the year in which such differences become known.

Contributions and Support

Contributions received are recorded as support with or without donor restrictions depending on the existence and nature of any donor restrictions.

Support that is originally restricted by the donor and for which the restriction is met in the same period are recorded as increases in net assets with donor restriction and then released from restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Conditional contributions, which depend upon specified future and uncertain events, are not recorded until the conditions are met.

The Federation recognizes campaign, special event, grants and other contribution revenue in the year in which it is promised by donors or the year in which a special event occurs. Administrative fee revenues are recognized over time as services are provided to other agencies. Program fee revenues are recognized over the period of the underlying programs and are primarily short-term in nature.

**JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment are recorded at cost if acquired by purchase or at the estimated fair value at the date of receipt if acquired by donation. Depreciation of property and equipment is determined over the following estimated useful lives on a straight-line basis:

Office Equipment	3 to 10 Years
Furniture and Fixtures	5 to 10 Years
Vehicles	5 Years

Grants and Allocations

The Federation awards grants and allocations annually to Jewish organizations locally, nationally and throughout the world. Grants and allocations are primarily funded by the annual giving campaign and are expensed during the year in which they are approved by the board of directors.

Income Taxes

The Federation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) as a nonprofit organization.

Functional Expenses

The statement of functional expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates of management. Salaries and related expenses, as well as other costs, are allocated based on time spent by staff members on each function. Certain costs including occupancy, supplies and technology are allocated based on use of space and staff time. Other costs are charged directly based on the functional category benefited.

Subsequent Events

NOTE 5 FAIR VALUE MEASUREMENTS

The Federation follows an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2024 or 2023.

JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Funds and Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Federation are open-end investment funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Federation are deemed to be actively traded and are classified as Level 1 of the valuation hierarchy.

Pooled Investments and Beneficial Interest In Assets Held In Perpetual Trusts

Pooled investments and beneficial interests in assets held in perpetual trusts are valued by the Federation by calculating the proportional share of the underlying assets as determined by the Foundation and is classified as Level 3 within the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Federation's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 272,388	\$ -	\$ -	\$ 272,388

The following table sets forth by level, within the fair value hierarchy, the Federation's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total

Total Assets in the Fair Value Hierarchy	\$ 473,585	\$ -	\$ 24,175,490	\$ 24,649,075

Pooled investments represent investments held at the Foundation's "Common Pool" and the "Long-Term Pool." Generally, redemptions may be made within one to three business days of notification. However, the Foundation maintains the right to disburse funds according to the following policy: If the withdrawn funds are less than \$250,000, then 80% of the funds would be disbursed immediately and the remaining 20% will be disbursed once monthly allocations of earnings/losses can be made. If the withdrawn funds are more than \$250,000 then 50% of the requested funds would be disbursed immediately, and 80% of the remaining amount requested would be disbursed after 30 days. The final requested portion would be disbursed once final income and expense allocations can be made to the remaining balance.

NOTE 8 BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

The Federation is the beneficiary of various funds held by the Foundation. Significantly all of these funds provide for annual distributions of income or a portion of income to the Federation for purposes determined by the board of directors and in accordance with its mission and by-laws. Other restrictions are for programs of the Federation. Distributions from the beneficial interest in assets held in the endowment funds are reported as investment income without donor restrictions on the statement of activities.

NOTE 9 ENDOWMENT FUNDS

The Federation's endowment consists of entirely donor-restricted funds established for the support of the Federation. Assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions and are exclusive of any promises to give to the Federation's endowment funds.

The Federation's governing body has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Federation classifies endowment funds held in perpetuity as (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction, if any is given, of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets held in perpetuity are classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Federation in a manner consistent with the standard of prudence prescribed by UPMIFA.

JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 9 ENDOWMENT FUNDS (CONTINUED)

In accordance with UPMIFA, the Federation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund;
2. The purposes of the Federation and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and appreciation/depreciation of investments;
6. Other resources of the Federation; and
7. The investment policies of the Federation.

The changes in endowment net assets for the year ended December 31, 2024 are as follows:

JEWISH FEDERATION OF GREATER KANSAS CITY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 9 ENDOWMENT FUNDS (CONTINUED)

Endowment investments of the Federation are managed by the Foundation, who maintains investment pools for the Federation, and other agencies in the Kansas City Jewish community. The overall investment objectives of the Federation, and of the Foundation, are as described in Note 5.

The Federation generally distributes 3%-5% of the fund balance of significantly all individual funds, which are transferred to the Federation for operations and the annual giving campaign. Some special purpose funds allow the spending of the corpus of the fund, which the Federation may do under the policies and purposes defined by each fund. The long-term objective of the Federation is the preservation of principal, as well as long-term growth for funds, which requires prudent investment risk policies, and ongoing performance benchmarking by the Federation and the Foundation. The Federation has a policy that permits spending from underwater endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations.

NOTE 10 EMPLOYEE RETENTION CREDIT

Grants from the government are recognized when all conditions of such grants are fulfilled or there is reasonable assurance that they will be fulfilled. During 2023, the Federation recognized Employee Retention Credit funding from the United States Treasury.

The Federation recognized \$525,452 as revenue in the statement of activities related to performance requirements being met and costs being incurred in compliance with the program during the year ended December 31, 2023. A related receivable of \$525,452 is included in the accounts and notes receivable on the statement of financial position as of December 31, 2024. In May and June of 2025, the Federation received \$238,861 and \$149,200, respectively, of the receivable balance, and management is of the opinion that the remaining balance is collectible.

Eligibility and usage of funds in compliance with the program based on dollar thresholds and other factors are subject to review. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Federation's financial position.

NOTE 11 RETIREMENT PLAN

The Federation has a profit sharing plan (the Plan) available to all employees who meet the minimum service requirements. The Plan includes salary deferral features described in Section 401(k) of the IRC. The Federation matches employee contributions up to 6% of employees' salaries during the years ended December 31, 2024 and 2023. Employer contributions to the Plan totaled \$71,046 and \$63,843 for the years December 31, 2024 and 2023, respectively.

The Federation is primarily supported by contributions without donor restrictions from the annual giving campaign, as well as various donor-restricted contributions and grants. As part of the Federation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

In addition, as part of its liquidity management, the Federation invests cash in excess of daily requirements in various short-term investments, including certificates of deposit and short-term treasury instruments. At the board's discretion, distributions may be made from board-designated reserves to help manage unanticipated liquidity needs, but it is the Federation's intent to retain the reserves, which are held in investment accounts.

NOTE 16 LIQUIDITY AND AVAILABILITY OF RESOURCES (CONTINUED)

Annual campaign promises to give are subject to implied time restrictions and most are expected to be collected within one year. Other promises to give represent the remaining promises to give from a multi-year campaign, and a portion of these promises are scheduled to be collected beyond one year in the future.
