The project aspires to build a Living Holocaust Memorial by planting 1.5 million daffodils around the world in memory of the 1.5 million children murdered in the Holocaust and in support of children suffering in humanitarian crises in the world today.

Plant a Daffodil Garden

Be one of 15 schools to participate by receiving bulbs, tools and instructions for planting a daffodil garden at your school.

World Kindness Day | Nov. 12, 2021

The lessons of the Holocaust teach us to be kind, be an up-stander, and resist all forms and expressions of hatred.

On World Kindness Day, participants vow to make the world a better place by celebrating and promoting good deeds and pledging acts of kindness.
