

Our Mission

The mission of Jewish Federation of Northeastern New York is to build and maintain a strong and united Jewish community in order to ensure the creative survival and continuity of the Jewish people. It is the community's central agency for meeting Jewish needs and articulating Jewish concerns in the Capital Region, in Israel, nationally, and around the world.

What We Do

Federation gives continuity to Jewish values:

- Righteous giving and just behavior that ensures the basic well-being of fellow human beings (tzedakah)
- Good works, promoting peace and understanding, and helping the hungry, homeless, and oppressed (tikkun olam)
- Mutual respect and accommodation of diversity within Jewish life (klal Yisrael)
- Support of Israel, the democratic homeland for the Jewish people

Federation fulfills our mission by:

- providing financial resources to help meet community needs—locally, nationally, in Israel, and around the world.
- changing lives and giving people the opportunity for new experiences through programs and services.
- working with the media, policy-makers, and other opinion-shapers on behalf of various community constituencies.
- keeping the community informed about relevant current issues.
- supplying educational resources for children and adults, educators, and families.

What is LIFE & LEGACY®?

LIFE & LEGACY® is a partnership between Jewish Federation of Northeastern New York and Harold Grinspoon Foundation (HGF) that promotes after-lifetime giving to benefit the Jewish community. Through training, support, and monetary incentives, LIFE & LEGACY® gives Jewish organizations the tools and motivation to integrate legacy giving into their philanthropic cultures in order to ensure vibrant Jewish life for future generations.
