TEACHING ABOUT THE HAMAS/ISRAEL WAR

With Professor Stephen M. Berk

**HYBRID PRESENTATION
In-person or on Zoom**

**Jewish Federation of Northeastern New York
184 Washington Avenue Ext., Albany, NY 12203**

Expand your knowledge base with relevant information presented in ways that reinforce best practices for engaging students

We invite you to join us as Professor Berk guides teachers through the tragic Hamas attack on Israel on October 7, 2023, and the events that have unfolded since. Expand your knowledge base with relevant information presented in ways that reinforce best practices for instruction. All participants will be given access to the Institute for Curriculum Services (ICS) resources to help guide classroom lesson planning.

Following Prof. Berk's lecture, participants will be encouraged to take part in an interactive discussion. Those attending via Zoom will be invited to share either via chat or invited to unmute themselves. This conversation will help unpack ways to share these current events with students with sensitivity and understanding in an age-appropriate way. In such challenging times, it is vital as Social Studies educators that we allow time and space for these difficult but vitally important conversations with our students.

Registration of \$5 is required for all participants by Monday, October 30.

Those attending via Zoom will be sent a link the morning of the event.

Those planning to attend in person should plan to arrive about 10 minutes early to allow for check-in.

If attending in person, a light supper, including a vegetarian option will be provided. We are unable to accommodate walk-ins. CTLE credit will be provided by the Capital District Council for the Social Studies.
