

JEWISH CAMP SCHOLARSHIP APPLICATION

I am pleased to forward this Jewish Camp Scholarship Application on behalf of the Jewish Camp Scholarship Committee. The Jewish Camp Scholarship Committee is composed of representatives of The Santa Barbara Jewish Community Foundation Fund, the Jewish Federation of Santa Barbara, Congregation B'nai B'rith and Camp Haverim. These four organizations have joined together to simplify the scholarship application process for families seeking a Jewish overnight or day camp scholarship from any of our organizations.

Our committee will award scholarships based on financial need. We have limited funds and want to ensure that scholarships are awarded to those families that most need them.

Please note that if you are applying for an overnight camp scholarship, you **must** also apply to the overnight camp for a scholarship. **Our committee will not award a scholarship unless the overnight camp also awards a scholarship.**

Please carefully and completely fill out this scholarship application. If you are applying for a scholarship for more than one child, **please complete a separate scholarship application for each child seeking a scholarship.**

After you have completed the scholarship application, please return it by e-mail or U.S. mail to:

Since we have limited funds available for scholarships and the Scholarship Committee will be meeting to consider scholarship applications as they are received, we urge you to submit your scholarship application as soon as possible. All scholarship applications must be received by May 31, 2022. You will be notified of the amount of your scholarship promptly after it has been determined by the Scholarship Committee.

Please understand that the total dollar amount of scholarships requested far exceeds the amount of funds we have available for scholarships. Consequently, we may not be able to award the full amount of the scholarship you request.

We look forward to helping you provide your child(ren) with a joyous Jewish camp experience.

Sincerely,

Richard B. Silver
