Jewish Disability Awareness & Inclusion (JDAIM) month is February 2021. Our local Jewish community will feature a robust assortment of programs throughout the month and kickoff the celebration with a LIVE event on January 28 featuring Comedienne & Advocate Pamela Rae Schuller and honoring local trailblazers Eric & Linda Newman.

Be a part of this inspiring evening and reach thousands of families from our local community and honor to the Newmans for their passion to action in making our community more inclusive.

This program is a joint initiative of the Jewish Federation's JAA, JFCS & JCC. Reach thousands of local families seeking resources and supports for family members with special needs. Show YOUR dedication for supporting inclusion in our community.
