

Lion of Judah

Leading with Pride

Who We Are

We are strong women of all ages, an international sisterhood of thousands of global activists who care deeply about the Jewish future. We play a vital role in creating social justice, aiding the vulnerable, preserving human dignity and building Jewish identity.

We demonstrate our dedication to the Jewish community by contributing our time and resources, while setting an exemplary standard of leadership and giving.

The Lion of Judah symbolizes strength, honor, and dedication for the Tribe of Judah, the dominant tribe of the Twelve Tribes of Israel, and it continues to reflect those values today. Women who are Lions of Judah are leading their peers through generosity, strength, and vision.
