STUDENT INTEREST INVENTORY

To help you get acquainted with your student, consider asking the questions below during your first few sessions. Do not, however, ask the questions pointblank and record the answers in front of the child. Simply use the questions to focus your conversations and then fill in the form at home.

1. What name would you like me to call you?
2. Who lives at home with you?
3. Do you have a pet? If so, what kind? What is its name?
4. Do you read at home? Do you read alone or with someone else?
5. What do you like to read about? Do you have a favorite book?
6. Do you ever go to the library that's not at school? Do you know if you have a library card?
7. What is your favorite TV show?
8. What's something that you're good at?
9. What do you want to be when you grow up?
