This play was inspired by letters from students, written by author and playwright, Richard Rashke, *Dear Esther* tells the story of Esther Raab's *Escape from Sobibor*. The play illustrates her commitment to learning the lessons of the past and the effects of bigotry, prejudice and hatred and proves that the events and lessons of the Holocaust should not be forgotten.

The play is about 1½ hours long and then a member of Esther Raab's family will take questions from the students for about 20 minutes after each performance.
