

Temple Beth Sholom

Live from

Israel!

Encore!

Join us each week as we welcome a different guest on Zoom live from Israel to discuss issues in Israeli society, politics, history and Judaism.

This is a wonderful opportunity to dialogue with some old friends and meet some new ones.

We meet on Thursdays at 12:30pm on Zoom.

Other than the January 14 event, Zoom Meeting ID: 965 8206 3355, Phone: 929-205-6099, Password: 5781

JANUARY 14 -MAGEN DAVID ADOM— ISRAEL IN THE TIME OF COVID

A distinguished panel will discuss what is currently happening in Israel and

how the crisis is being managed by Magen David Adom, Israel's national ambulance, blood services, and disaster-relief organization. AFMDA.ORG

Panel:

•Professor Eilat Shinar, Director of MDA's Blood Services Division, Dr. Shafir Botner, Director of MDA's Paramedic School, Yuval Eran, Paramedic, medical engineering student, and robotics mentor, Moderated by Michelle Divon (Israeli-American news anchor/reporter for News 12)

To register for the event and receive the Zoom link, contact Emily Posner at eposner@afmda.org or 646.388.7504

January 28- LEKET ISRAEL—PROVIDING FOOD TO THE HUNGRY IN ISRAEL DURING THE PANDEMIC AND BEYOND

Leket Israel—Israel's National Food Bank and largest food rescue organization provides 40,000,000 lbs. of surplus, fresh produce and cooked meat meals to 200,000 Israelis in need of all backgrounds each week. Over 20% of Israelis are now unemployed due to the effects of COVID-19, causing unprecedented demand for food from Leket Israel. Come hear from Joseph Gitler, Founder and Chairman of Leket Israel as he speaks about the important work that Leket does in Israel and how the organization has adapted and stepped up to help hundreds of thousands of Israelis during the pandemic. WWW.LEKET.ORG

FEBRUARY 11-ISRAEL CANCER RESEARCH FUND—FROM CANCER IMMUNOTHERAPY TO

COVID 19 VACCINE

The Israel Cancer Research Fund is a nonprofit organization founded in 1975 by a group of American and Canadian physicians, scientists, and philanthropists, who recognized the extraordinary accomplishments and unique global impact of science in Israel. Their vision has helped enable Israel to become a world-leader in cancer research. Speaker: Dr. Ronit Satchi-Fainaro, Tel Aviv University. She is the Head of the Cancer Research & Nanomedicine Laboratory, Chair of the Department of Physiology & Pharmacology at the Sackler Faculty of Medicine, and the Chair of The Kurt and Herman Lion Cathedra in Nanosciences and Nanotechnologies ICRFONLINE.ORG
