CONGREGATION BETH EL

CONGREGATION

More than sixty years ago, the founders of Congregation Beth El had a vision to create a congregation where Jewish friends and families would come together to connect, grow, celebrate, and raise their children in a Jewish environment of inclusion and equality.

Today, Beth El is a community dedicated to continuing the education and traditions of our faith. We are committed to guiding our youth as they integrate their Jewish values in an increasingly complex world. As a spiritual family, we celebrate simchas together, learn together, raise and educate our children with love for our Jewish heritage, and support one another in times of challenge and loss.

Beth El is a sanctuary, a spiritual home where the depth of Jewish tradition and the meaning of Jewish values is alive, a community where we celebrate and mourn together, where we experience today's Judaism, and where we look forward to a Jewish future together.

Our legacy donors are people just like you, who love and treasure our sacred family. Our legacy donors believe that investing in children assures our Jewish future. By becoming a legacy donor, you will join with others to ensure that Congregation Beth El continues to be relevant; a place where individual Jews and families become part of our extended spiritual family: learning, praying, celebrating, and mourning together, committed to the highest ideals of our tradition, and embracing new and creative interpretations to keep our tradition alive and growing for generations to come. Please join us!

CONGREGATION SHAAR HASHOMAYIM

The Cong. Shaar Hashomayim established in 1926 and built in 1929 has long been the centerpiece and heart of the Windsor Jewish Community. Originally designated to be a Conservative Shul the community changed direction and decided that an Orthodox Shul was more in line with the community as a whole. Over time the Shul has made some minor allowances to accommodate all attendees which has allowed the Shul to survive and still maintain it's Orthodox status.

Our goal and future is to welcome all members of the Windsor Jewish Community in a warm and inviting environment that allows all to practice their Jewish faith and teach our children and grandchildren the Torah and Jewish values we have all loved and followed. The Shul has embraced all genders and has had Female Presidents and active members of the Board of Directors. We have maintained good and stable relationships with our non-Jewish neighbours and local officials regardless of their faiths and have supported all Jewish activities and infrastructure in our city.

We look to our Legacy Donors to establish endowments from their Estates so that our future is financially secure and our children and grandchildren will have a Jewish base to count on to teach the Jewish Torah and Values we have loved and followed our entire lives. We wish to maintain and thrive into the future promoting Judaism and Othodoxy which has allowed our Faith to survive the thousands of years since it's Birth.

We need our Legacy Donors to help establish the Base needed so that the Shaar Hashomayim will be here for the next Generation as our ancestors passed on the Shul and Jewish Faith to us .

WINDSOR JEWISH COMMUNITY CENTRE

Since established in 1959 the Windsor Jewish Community Centre has served as a busy hub of activity, enriching life for both the Jewish and the greater Windsor Community, based on Jewish values. We do this by welcoming everyone to share in the richness and culture of Jewish life through social, recreational, educational and cultural activities.

Our legacy donors come from all walks of life, but they all share the same goal of promoting and advancing Jewish continuity in Windsor.

By establishing a legacy, you will ensure:

- We provide services and programs for all generations, to help them to live the Jewish life they desire and to develop friendships while participating in these programs.
- We create a welcoming space for all members of our diverse community and will treat each person in a warm and friendly manner.
- We innovate and adapt to the changing world which is essential for the sustainability of our community. Supporting the goals of our partners is important to us and we celebrate their success with them.
- We remain a safe place for even the most vulnerable in our population, and for all who use our facilities.
- Underserved populations including youth and recent immigrants will have programming and services created for them.
- We can continue providing programs and services without financial constraint.
- We can provide the next generation with the same opportunities and experiences previous generations have had living in Jewish Windsor.

Please join us in Paying It Forward to future generations!
