

Mordechai Kamel

I chose to make legacy gifts to Lander ~ Grinspoon Academy and the Jewish Federation of Western Massachusetts because I believe that Jewish education and federated giving are part of the underpinnings of a healthy Jewish community, locally and around the world. In making these gifts I hope to see these institutions remain strong into the future. I would like to be remembered as someone who was an active participant in his community and who cared about it and about Jews everywhere. My hope is for the Jewish community to continue to thrive and contribute to the larger world and to Tikkun Olam (repairing the world). My greatest influence in shaping my Jewish identity was my father, who fought and when the fight was over, continued to give of himself.
