

70 Second VIDEO

CHALLENGE

Israel at 70 Video Challenge!

Tell us what you love about Israel in 70 seconds or less.

This year, we will celebrate 70 years since the founding of the modern state. We're asking you to join the party by shooting a short video of you, your friends, or your family. Grab your phone, tablet, or video camera and:

- Record a birthday greeting for Israel
- Tell us your favorite Israel memory
- Show us your favorite place in Israel
- If you haven't been, tell us what you look forward to seeing most
- Ask your friends or family to tell you what they love about Israel

No fancy editing, cinematography skills, or scripts are required! You can upload the video to YouTube and then email a link to director@jfc.org.
