**SCREENING OF "BEN GURION: EPILOGUE"**

The film presents a recently unearthed interview with him, discovered in the Spielberg Archives, that was conducted in 1968, 20 years after he declared the establishment of the Jewish State. Ben Gurion's introspective soul-searching provides a surprising vision for crucial decisions Israel needs to make today. The film also brings though-provoking insights about the role of leaders in today's complex world. 60 minutes documentary by Yariv Mozer and Yael Perlov

**ALL

**COMMUNITY MURAL**

We are creating a wall mural, showcasing our community's past, present and future. For this we want to borrow your favourite photos of family seders, Hebrew school picnics, weddings and B'nai Mitzvah, and other Jewish events in Hamilton like the Hadassah Bazaars of the past, Hanukkah Hustle, Brotherhood socials and more!  
**Please drop them off during our celebration.**
