“BAGELS & BOOKS”

Monday, June 3 BOOK SELECTION:

Witness—Lessons from Elie Wiesel’s Classroom

A Nobel laureate, activist, adviser to world leaders, and the author of more than 40 books, including the Oprah’s Book Club selection *Night*. But when asked, Wiesel always said, “I am a teacher first.”

In fact, he taught at Boston University for nearly four decades, and with this book, Ariel Burger—devoted protégé, apprentice, and friend—takes us into the sacred space of Wiesel’s classroom.

Burger first met Wiesel when he was just 15 years old; he became his student in his twenties, and his teaching assistant in his thirties. Burger gives us a front-row seat to Wiesel’s remarkable exchanges in and out of the classroom, and chronicles the intimate conversations between these two men over the decades as Burger sought counsel on matters of intellect, spirituality, and faith, while navigating his own personal journey from boyhood to manhood, from student and assistant, to rabbi and, in time, teacher.
