to an evening of remembrance.**

6:30-8:30 pm**

The evening will start at Lower Manning Park leading into a candlelit processional down San Ysidro Road and ending at All Saints-by-the-Sea Episcopal Church.

This event is for everyone in the community. By providing the space in which to honor our collective experiences, it is the hope of the hosting committee that our community will share a night of healing, hope and light with one another.

**Details:** People will start assembling at Lower Manning Park at 6:00 pm with a program to begin at 6:30 pm. Flameless candles will be available prior to the event and can be picked up at designated locations and will be made available at the park prior to the walk. The walk is estimated to be 15-25 minutes. Shuttles will be available to transport community members to and from Lower Manning Park and other designated sites starting at 5:30pm.
