

HARVEY RUBIN MEMORIAL AWARD CRITERIA

This prestigious award was established in memory of Harvey Rubin. Harvey spent the majority of his life promoting the importance of athletics in youth development.

He felt that through athletics, a child learned the concepts of teamwork, self-discipline, leadership, and sportsmanship. Likewise, Harvey believed in helping the community, through involvement in JEA athletic programs and supporting academic achievement

Current criteria for application

- Full time High School Student
- Display leadership (i.e. volunteerism, youth group participation) in the community
- Exceptional sportsmanship while participating in athletics
- "C or above" average grade in school
- History of good conduct in his/her school
- Display exceptional athletic ability while participating on a varsity level team (school or recreational league)

Application with all documentation due by May 1, 2019

All applications must include three letters of recommendation:

- Varsity Coach in which the athlete has played for
- Teacher or Guidance Counselor from current school
- Member of the community other than person making the nomination
