Thank you for your interest in JEA Preschool Savannah for your child's Early Childhood Education and development. We are delighted that you are considering joining us for the 2019-2020 preschool year.

As we take this exciting journey together we want you and your child to feel a sense of love, security and community at our *program of excellence*. We know that with the combination of experienced loving teachers, fresh state of the art classrooms, stimulating outdoor learning space, and enhanced program opportunities at the JEA, we have the premier preschool program in Savannah. We invite your family to join JEA Preschool Savannah as we provide a curriculum rich in Jewish culture and values.

As an educator with over two decades of experience, I am pleased to bring my varied experience and expertise to our program. I have a passion for working with children and families and building relationships with our entire JEA Preschool Savannah community.

Our team has highly qualified, professional, and motivated lead and assistant teachers whose main goal is to give your child the best preschool experience possible. We will be supporting their expertise by maintaining a low child-to-teacher ratio, providing training and ongoing professional development, and appointing each classroom with the best teaching tools and materials available.

Since we are part of a large community center, there are many additional opportunities which are provided for your child. The Pre K children are able to participate in an introduction to swimming class and summer swimming lessons. There are also private and semi private lessons available for all ages which can be arranged through the Aquatics Department. We also offer afternoon enrichment classes, including Yogi-Palz, A Splash of Color Art Class, and Tuneful Tykes, all designed especially for very young children.

Please take the time to read the enclosed information. If you have any questions, feel free to contact me at 912-355-8111 or jodi@savj.org.

The following information and forms are included in this registration packet:

- ★ Registration Form
- ★ Registration Agreement & Payment Options

At the time of registration, all applicants are required to submit an up-to-date Georgia 3231 Immunization Form and a JEA membership application for any families that are not already members.
