The key to ensuring that your camper has the best school year of their life is the quality of the counselors. The JEA Children's Department selects only the finest from a pool of experienced counselors. All counselors participate in annual trainings which includes learning to work with children of various age groups, Red Cross Pediatric First Aid/Safety training and anti-bullying seminars. In addition, counselors are evaluated by senior staff throughout the school year to ensure that they're providing your child with the best care possible.
