Scholarship

Recognizing the need to provide service to all members of the surrounding community, regardless of their ability to pay the full cost of programs or membership, The Shaw JCC of Akron offers financial assistance to those experiencing financial hardships.

It is our sincere hope that families and individuals will never be denied participation in JCC programming due to their financial situation. We understand that asking for assistance may be difficult; therefore, we strive to make the process easy, confidential, and as fair as possible. The deadline to apply is April 10, 2026.

This process involves an unbiased scholarship committee, and families must be prepared to submit financial forms and information to determine eligibility. Families may qualify for up to a 50% tuition discount. Go to shawjcc.org/camp-j to learn more and access the application.
