Water Classes

Aqua Bootcamp: If you are looking for a workout which will maintain or increase your fitness level with less impact on your joints, a "liquid gym" is the place to be! This higher intensity class is designed to improve cardio conditioning, alternating with strength/balance and core training segments. Water exercise is an excellent modality for cross training and gives knees and backs a break from land based cardio workouts. On-swimmers are welcome. (Intermediate-Advanced)

Aqua Fit: Medium to high intensity level workout offers a combination of moves in the shallow or deep water to build strength and endurance. (All levels)

SilverSplash: This class involves lots of fun & shallow water moves to improve agility, flexibility, & cardiovascular endurance. No swimming ability required. (All levels)

WaterWerks: medium intensity level workout for all ages. Over 90 exercises working from head to toe, increasing range of motion and strengthen muscles while improving balance and coordination. Aqua Bells & boards used. Class can be done in shallow &/or deep water. (All levels)

Mind Body

All Levels Yoga: This class blends the fluid power movements of our traditional power yoga class with a variation of all poses to allow all ability levels to work together (All Levels)

Get Happy Invigorating Yoga: This class combines a series of energizing poses that will boost your energy and get you ready to tackle the week with an abundance of good energy. The class is designed for all levels and can be modified to suit your current yoga needs.

Good Night Yoga: This class combines a series of simple poses for following the natural world as it comes to rest at the end of the day. The sequences of poses are designed to calm the mind, relieve tension and assist with achieving a good night of sleep. Poses can be modified for all levels.

Power Yoga: Vigorous, fitness-based approach to vinyasa-style yoga. Students will move fluidly from one pose to the next while connecting their breathing to their movements. (All Levels)

Yoga: This introductory yoga class is ideal for those who are new to yoga. Basic yoga poses, techniques and breathing are the focus of this beginner class. (All Levels)

Pilates: This class focuses on the basic instruction of the Pilates method; class focuses on core strengthening. Benefits include increased muscular definition, improved body awareness and coordination. (All Levels)
