A Message From Our

Anthony Ange

Did You Know?

PARIS WILL HOST THE
OLYMPIC GAMES IN SUMMER
2024! WEEK 8 IS OLYMPICS
WEEK AT CAMP JCC.

PLUS, WE HAVE ADDED NEW
(OLYMPIC) SPORTS TO OUR
SPECIALTY CAMP OFFERINGS
INCLUDING GYMNASTICS AND
FLAG FOOTBALL!

To our camp families,

I am so excited to meet you all as I embark on my first season as Camp Director at the Shaw JCC of Akron! Since 2017 I have been fortunate to call the J my second home and witness how this wonderful community welcomes and supports one another with loving kindness. I am thrilled to be able to extend this environment where all are welcome to your children by providing an excellent summer experience.

Camp JCC is a fun and safe place for campers to discover who they are and grow stronger together. Our highly trained team of camp counselors aim to provide an environment where your child's individuality is valued and supported. Over 10 weeks, your campers will build character and increase their self-confidence through developing new or existing skills, collaborating with peers, and exploring their limitless imaginations - all while learning life skills and values along the way.

This season, we are happy to provide robust program options for your children with our Traditional and Teen Track camps. Choosing Specialty Camps will give your children the opportunity to learn alongside expert coaches, artists, and performers from our local area while customizing their weekly experience. Friday FUN Days will continue this season and will continue to include a Kosher-style cookout!

We are eager to welcome both veteran and first-time campers this season and we look forward to seeing everyone's smiling faces as our season begins. Our goal is to create positive experiences for our youth through building friendships and memories that will last a lifetime. We encourage you to chart your camper's path using our Camp Guide and website, and to enroll for the 2024 Camp JCC season!

Happy Camping
