GROW YOUR BUSINESS WITH US

while making a difference!

**JOIN THE SHAW JCC OF AKRON
PERKS PARTNERSHIP PROGRAM!**

Join our Perks Partnership Program and connect your business with our vibrant community! By becoming a partner, you'll gain valuable visibility among Shaw JCC members - a diverse group that includes many young families and active community members.

How it works:

Offer JCC members an exclusive discount or special perk, for example: \$0.50 off a specialty coffee / 20% off admission / 15% off any service

In return, we'll promote your business at no cost to you and waive our registration fee (a \$50-\$75 value) for any of your employees who join the JCC!

Your business will receive:

- Logo placement and listing on the Shaw JCC website
- Inclusion in new member welcome packets highlighting your exclusive perk
- Increased visibility to thousands of local families and members who value community and supporting local businesses

All JCC members need to do is show their membership card at your establishment to enjoy their perk! Ready to get started? Fill out our form below!
