

Grant Portal Registration Instructions – 2024 Israel Mission Grant

Please access the grant portal registration here:

<https://jewishcincinnati.spectrumportal.net/accounts/register>

Register

- While creating your account, please check “Individual Grant Applicant” under “Portal Access” and fill in the requested account information.
- We will send you an email notification of your “approved” portal access. Approval typically takes 48 hours.
- We recommend you do this step of the application process as soon as possible, as you will not be able to access the application until your access has been approved.

Login

- Once your registration has been approved, log in at <https://jewishcincinnati.spectrumportal.net/>, navigate to the “Individual Grant Applicant” tab in the main menu at the top of the page and select “Available Grants” from the dropdown menu. Click on “2024 Mission to Israel Grant Application” and please complete one application that includes all members of the individual household with whom you are traveling. Visit our [FAQs](#) for information on grant subsidy amounts and eligibility requirements.
- Please reach out to [Jan Evans](#) if you have questions or need assistance.

Grant Applications are due on April 1, 2024. No late applications will be accepted.
