Testimonials

- “My whole life was turned upside down this year and I didn’t know how to brighten the holiday for my kids. The presents from Adopt-a-Family helped us forget all we have been through and just to feel the joy of celebrating together. I can’t thank you enough!”
- “I spend a lot of time alone and the holidays are even worse. Having the JFS social worker bring me gifts that I needed made me happy. Please thank the people who shopped and thought of me. I felt special!”
