“Thanks, from the bottom of my heart. This makes my Hanukkah; I will have only what you brought. I’m especially happy for the movie tickets- I haven’t been to a movie in more than 10 years and now I can go and bring someone so I’m not alone.”

“Thank you so much for allowing us to be a part of adopt a family again this year. You really made our holidays so much brighter. I promise when we’re doing better, we will participate as donors.”  
– A family recipient

“As a single parent, there is a lot of pressure to make the holidays special for my kids. Through Adopt-a-Family I received gift cards for gas, groceries, and to the movies. During the school break, I was able to take my kids to the movies and then make them a special Hanukkah dinner. They had gifts to open, too. More than anything, I felt the support of community and I am truly thankful for that.”
