**Jewish Federation of Greater Indianapolis
Israel Youth Experience Grant Program Policies and Procedures**

The Jewish Federation of Greater Indianapolis provides incentive grants to encourage youth to participate in organized youth trips to Israel.

The following criteria will apply:

Parents - please read carefully, sign the bottom of these procedures, and return it with your application. We recommend that you keep a copy for your records.

1. Israel Youth Trip grants will be awarded for youth trips that must be approved by the Jewish Federation. Family trips are not eligible for grant money.
2. The applicant is no older than 26 years, or the applicant is going on an organized trip to Israel through the Jewish Federation, BJE or Hasten Hebrew Academy.
3. The applicant's family resides in the Greater Indianapolis area.
4. The applicant may apply for an Israel Youth Experience Grant only once.
5. The Jewish Federation will send the grant directly to the trip vendor upon receipt of all information, at least 90 days prior to the due date to the vendor.
6. An applicant going on Birthright may only apply for funds towards the flight to port of departure. A copy of the registration confirmation and the receipt of the airline ticket purchase must be submitted with this application.

If the total of all scholarships, financial aid or other financial support, including funds from the Israel Youth Experience Grant Program are greater than the total cost of the trip program (including tuition, fees and transportation) then the grant will be reduced so that the total package will be equal to, or less than, the total cost of the trip program.

The Jewish Federation of Greater Indianapolis retains the right to limit the number of grants given each year. Only one grant will be made per student.

The difference in cost between the trip program chosen and the grant from the Jewish Federation will be the responsibility of the person requesting the grant. If the applicant is unable for any reason to attend the trip and is entitled to a refund, the refund shall be applied first to repay the Jewish Federation to the extent of the grant.

Parents or Guardians of youth granted funds under this program release the Jewish Federation of Greater Indianapolis from any liability under any circumstances for any problems and/or injury, etc., resulting from participation in the program chosen by the applicant.

The Jewish Federation of Greater Indianapolis reserves the right to make any changes without prior notice. We understand and agree to these Policies and Procedures.
