

"I would like to think that someday, when our dreams have been fulfilled, they will say that it was women giving of their ideas and resources that made the difference."

— Golda Meir

WOMEN'S PHILANTHROPY

Through Women's Philanthropy, we share experiences, friendships, and community — all in support of the important work of Combined Jewish Philanthropies (CJP). Together, we participate in engaging events, learning opportunities, and hands-on activities, and we make meaningful gifts to show our strength as women. For so many, WP is the gateway to CJP and its unique position as a community change maker.

As women, we play a vital role in raising funds for CJP's Annual Campaign, and, in turn, various local and global initiatives. We are rooted in the value of *tikkun olam* — repairing the world — and we drive our community to care for the most vulnerable populations, strengthen our Jewish connections, inspire the next generation, and empower our families and friends to join us.

WHY CJP?

CJP has the vision, experience, and resources to mobilize the community, provide innovative solutions, and positively impact lives. With your help, we harness more than a century of experience and in-depth knowledge to get things done.

Your gift to CJP supports more than 150 social service agencies, synagogues, day schools, and programs — locally, in Israel, and around the world. But we do more than just allocate funds. We work with the community to identify where the needs are greatest, and then we put the resources, expertise, and leadership in place to make the most impact.

CJP effects change in your community and in the lives of people you know. From ensuring inclusive Jewish education for people of all abilities, to assisting those in financial need with basic necessities and job training, to offering Jewish learning and support to interfaith families, CJP is there.

WHY WOMEN'S PHILANTHROPY?

Women's Philanthropy provides a space for Boston's Jewish women to bond over their philanthropic commitments to local and global Jewish communities. Together, we put our values into action, gather for inspirational events, travel locally and to Israel, and do so much more!

We have a welcoming, thriving community of passionate Jewish women — and plenty of ways to get involved that fit your interests, needs, and schedule. Join us!

GIVING TOGETHER

WP honors its donors through two recognition societies:

LION OF JUDAH honors a woman's gift of \$5,000 or more to CJP's Annual Campaign. The Lion of Judah is a symbol of today's Jewish woman's strength and her caring about the Jewish community.

POMEGRANATE honors a woman's gift of \$1,800 or more to CJP's Annual Campaign. The pomegranate is one of only seven fruits mentioned in the Bible and is a symbol of bounty, sustenance, and power.
