

STOP.THINK.CONNECT.™ NATIONAL NETWORK

As we move further into the Information Age, our dependency on technology and the Internet seems to have no limit. Americans use the Internet daily to communicate with colleagues, share vital information, and conduct business. As we embrace the modern conveniences of a digitally connected world, it is also important to take simple steps to help ensure our online experiences are as secure as possible.

The Department of Homeland Security (DHS) Stop.Think.Connect. [National Network](#) brings together non-profit organizations from across the country with a desire to educate others about safer online practices.

BENEFITS

Join the Stop.Think.Connect. National Network to:

- Connect with nearly 150 government, academic, and nonprofit partners committed to increasing online safety
- Obtain cybersecurity tips, messaging, articles, and presentations
- Access DHS resources, tools, and subject matter experts
- Join monthly partner discussions highlighting current cyber issues and trends
- Exchange ideas and resources with other organizations involved with the Campaign

There are no fees or financial obligations associated with membership. Please send a written request to join and your school's logo to stophinkconnect@dhs.gov.

GET INVOLVED

Join the Campaign and help make the Internet safer and more secure. National Network members are asked to:

- Link to the Campaign's website, www.dhs.gov/stophinkconnect
- Participate in National Cyber Security Awareness Month [October] by recognizing the month on social media channels, holding online discussions, sharing tips and resources in newsletters or publications, or hosting an event
- Share cyber safety resources
- Host a cyber-focused event either in-person or via social media

CONTACT

Visit www.dhs.gov/stophinkconnect or email stophinkconnect@dhs.gov for more information about the Campaign.

Stop.Think.Connect.™ is a national public awareness campaign aimed at increasing the understanding of cyber threats and empowering the American public to be safer and more secure online. The Campaign's main objective is to help you become more aware of growing cyber threats and arm you with the tools to protect yourself, your family, and your community. For more information visit <http://www.dhs.gov/stophinkconnect>.
