The Atlantic Jewish Council is pleased to participate, in solidarity with communities coast-to-coast, in streaming the Canadian Yom HaShoah program.

We express our sincere gratitude and are deeply grateful to the co-producers of this multi-community Yom Hashoah program: The Sarah and Chaim Neuberger Holocaust Education Centre, The Azrieli Foundation, The Canadian Society for Yad Vashem and March of the Living Canada. It is with their support and efforts that during the COVID-19 pandemic we are able to continue our tradition of offering a Holocaust Remembrance Day program and contribute to educating the public.

In these challenging times, we must work together to overcome adversity and bridge the divide of our greater communities as we come together to face a common adversary: COVID-19. With that in mind, the Atlantic Jewish Council has committed to moving ahead with its Yom Ha Shoah programming, and reaching out to all its communities via the digital footprint being offered to us. We live in interesting times. Keep safe and be well.

With Gratitude,

Naomi Rosenfeld
