

LION OF JUDAH

BEING A LION OF JUDAH

Women today play a central role in philanthropy, leading charitable giving within their families and using their time and skills to advance causes within their communities.

UJA's Lions of Judah are a dynamic group of philanthropic women. They are strong women of all ages, an international network of thousands of global activists who care deeply about the Jewish future.

Today, close to 18,000 women around the world are proud Lions of Judah, with more than 900 Lions living in Toronto.

Lions of Judah set a wonderful standard of leadership and philanthropy by contributing a minimum of \$5,000 to UJA's Annual Campaign. They enjoy exclusive conferences, missions and events, which provide opportunities to connect, learn, celebrate and make an impact together.

THE IMPORTANCE OF UJA'S WOMEN'S PHILANTHROPY

Every year, the UJA Annual Campaign raises approximately \$60 million, of which more than \$13 million comes from women.

A gift to UJA strengthens our network of more than 100 organizations that ensure the greatest possible impact in the following areas:

- Fighting poverty
- Countering antisemitism and improving community security
- Growing Jewish education
- Strengthening Jewish identity
- Supporting Israel and global Jewish communities in need

THE LION OF JUDAH CONFERENCE

As a Lion of Judah, you are invited to the biennial International Lion of Judah Conference (ILOJC), where Lions from all over the world gather for three phenomenal days of learning, sharing and celebrating. Participants inspire one another and hear from the world's leading speakers in the fields of religion, culture, art, business and politics.

PROUDLY WEARING YOUR COMMITMENT

As a Lion of Judah, you are invited to purchase a beautiful gold pin, which is the internationally recognized symbol of a woman's Lion of Judah gift. It is a declaration of your deep commitment to Jewish continuity and peoplehood. As your contribution grows, a gemstone corresponding to your gift level can be placed on your pin. Gifts of \$10,000 or more are also recognized as *Atarah* and *Major Gifts*.
