## WALK PROUD. WALK UNITED.

The Walk with Israel is a powerful moment to come together and show our unwavering support for the people of Israel. It's how we stand together as a community and show that we are here—openly and proudly.

When tens of thousands of community members and allies unite with a shared purpose, that collective strength is undeniable. We walk together to support Israelis in need and celebrate Jewish life.

After we walk, we continue to show our solidarity for the Israeli people by uniting at the Walk Festival.

**LET'S COME TOGETHER TO CELEBRATE THE RESILIENCE OF THE JEWISH PEOPLE.**
